The Honorable Kyrsten Sinema
U.S. Senate
825 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Sinema:

Thank you for your votes to confirm Representative Deb Haaland as Secretary of the Interior and Michael Regan as EPA Administrator.

These are both imminently qualified leaders with the experience and expertise needed to manage these important agencies. We're so happy to see that "science is back," as Administrator Regan said. Decisions which impact climate change, lands, water, and other natural resources, must be based on sound science.

Thank you for recognizing this in voting to confirm these capable leaders.

Sincerely,

Tim Kinney, President, Kinney Construction Services, Inc.
