A little bit more about your business. You make sugar scrubs. Do you make all different colors, all different scents? Do they have different size containers.

E Eva 07:21
So I mostly just have one size and it's about like \$6 and then I also do lip scrubs, which are pretty much the same thing, but they're just a little bit smaller. The regular sugar scrubs, you just go in the shower and then put them on your body and then the lip scrubs you just put on your lips to make them super soft.

A Ava Hurley 07:40
I'm definitely going to try that out. How much are the lip scrubs?
