Marcia Perry, Sickness 377-3434

Dear Sisters and Brothers,

We hope this newsletter finds you healthy and well. We have been allowed to again hold our Stated meeting and our next meeting is Monday, **November 9th** at 7:30 p.m. All safety measures will be observed. Temperatures will be taken by our Worthy Patron at the door with sanitary wipes available, social distancing observed and masks required. We would love to have you come. Don't forget, all you need is a current dues card and you can wear slacks. Our October meeting was very successful and it was wonderful to be able to visit with our friends again.

At our November meeting, we will read three memorials for Charter Member Sister Betty Overfelt and Sisters Emily Mooney and Ruth Litchfield.

As a fundraiser, we are selling handmade Eastern Star Ornaments. If you are interested in purchasing one or more, please contact our Secretary, Sister Lynn Wagner (757-430-1733).

CHRISTMAS FOOD DONATION

Again, this year, members of Lynnhaven Chapter No. 184 will assist in purchasing and organizing Christmas dinner food bags for those in need. If you would like to contribute, we will have a donation box on the sidewalk in front of the Masonic Lodge the night of our November (9th) and December (14th) meetings. If you don't feel comfortable attending our meeting, you could drive by and drop off your donation.

SICKNESS AND DISTRESS

Remember that Sister Marcia Perry (377-3434), our Associate Matron, takes care of our Sickness and Distress. Please notify her when you, a family member, or other OES member is ill, having surgery, or needs words of comfort and encouragement. Also keep her posted on cheery events that merit a greeting card. We like to recognize happy occasions, as well as sad ones.
