

BASE Camp Before & After School Program: New Family Registration Instructions

The following is a step-by-step guide to completing registration for families that are using BASE Camp for the first time. These instructions are intended to make your registration process as seamless as possible. If you need additional support, you may call our office at 970-266-1734. Thank you for choosing BASE Camp!

What you'll need:

- Updated contact information for child, guardians & emergency contacts
- Child's grade and birthday
- Phone/Address/Name for a doctor, dentist, and hospital choice
- Immunization record

Step-by-step instructions:

- 1) Use this link: https://daycareworks.com/registration/basecamp/start_registration_new.jsp to create an online account with Day Care Works, our online parent portal software. This account will be your hub for information updates, billing, etc.
- 2) Find your school district in the list and click "Begin Registration" underneath, then on the following screen, scroll alphabetically to find your child's school from the list. Click "Enroll".
- 3) Complete all of the registration questions to the best of your ability. Any question with a star must be answered to proceed.
*Note: When entering immunizations, if the names appear differently than your doctor's office or school record, look for an indicator code to match. Dates must be formatted as XX/XX/XXXX.
- 4) Once all fields have been completed (the form will re-route you to missing fields, if not completed), click on "Continue".
- 5) If you have additional students to add, click on "Add a New Student". If you have only one child to enroll, skip this step.
- 6) Set up your login information and type in your e-signature and click on "Add to Cart".
- 7) Enter your credit card information to pay enrollment fees. Click on "Continue". (See below for registration fees.)
- 8) As a final step, you'll see a list of confirmation questions. For each you must check the circle to the left of the statement to indicate that you have read and understood the statement. Once all are checked, click "Complete Registration" in **GREEN**.
- 9) You should see a confirmation page indicating you have completed the process and receive a confirmation email.
- 10) **We will check to ensure that your immunizations and these forms have been completed before your child can attend.**

Registration Fees:

- \$55 for one student
- \$65 for a multi-student family

If you receive tuition assistance through CCAP or a full scholarship, please call the office to receive instructions for bypassing the registration fee.
