Elementary Update: Week of 4/13 -4/17

Attendance Surveys:

Your child's teacher is sending out weekly surveys to verify that your child has completed the week's eLearning assignments. There is a separate survey for each classroom teacher, so if you have multiple children here at the Elementary, please complete the individual survey for each child. We had about 200 parents/guardians submit the survey this week, so thank you for that! As a reminder, do not forget to put cadet's name (your child) on the survey so that your child gets academic credit. The survey verifies that your child has been in attendance. If you have any questions about the survey, please contact your child's classroom teacher, or you can email our Academic Dean, Cpt. Hornocker, at jhornocker@goapa.org.

2020-2021 Class Placement:

We have already had a few parents/guardians ask about class placement for the 2020-2021 school year. At this point, there is not much information to communicate on this topic, as we are still in the process of looking at enrollment, the best way to offer split-level (multi-grade) classrooms, and our school budget. As soon as we have more information, we will get it out to you. Traditionally, teacher assignments are announced at the end of the summer right before Meet Your Teacher night. We do not have a date for this event yet.

A Message from Mr. Cagley, our Speech/Language Therapist:

If your child receives speech/language services, Mr. Cagley asks that your child say words that have his/her target sound at the beginning and the end. If possible, please make word lists with your child then have them practice these words at least three times (3x) per week. Mr. Cagley can be reached at dcagley@goapa.org should you have any questions.

Scholastic Book Fair:

Even though we are not physically attending school, we are still participating in the Scholastic Book Fair. Please do not feel pressured to purchase, as we know things are difficult right now; however, if you are able to purchase, APA does receive a kickback from sales, which helps with purchasing classroom materials. Information about the Book Fair is below.
