

St. Wiles' Class

What's Going On...

Week of Dec 11th - 18th

We are getting close to the end of the second grading period and first semester! We have 1 week left in this grading period. Please check Skyward for any missing assignments. Also, the kids should be at least 50% completed in both subjects of Compass by the end of this grading period.

An almanac prediction states that if it snows on Christmas day, we will have a warm, green, and sunny Easter.

IXL for this week:

Please make sure all teacher recommendations from last week are completed by the end of this week. I only added two new teacher recommendations for this week and will not add any new ones next week. I am sending home a list of completed/incomplete IXL activities on today.

Christmas Party:

I will be out on Friday, Dec 18th to fly down to Florida to visit with my mom for Christmas. This is why we will have our Christmas party on that Thursday instead. Each child has a name of someone in our class that they will get a small (\$3-\$5) gift for that will be opened at the party. Please reach out to me if you are having trouble purchasing the gift. I will help to make sure everyone is able to give a gift to their friend. At this time, we are still not allowing parent volunteers to come in and help. Sorry

Spelling / Vocabulary

Since I did not get a newsletter out this week, I will be postponing the spelling test until next week. We will have the test on Tuesday.

Important Dates:

- Dec. 15: Spelling Test
- Dec 16: Math test over multiplication
- Dec. 17: Christmas party
- Dec. 18: End of 2nd term / 1st semester
- Jan. 4: Back to school / Start of second semester
