

AOPO Virtual Event – FAQs

June 23 – 25, 2020

1. How do I register for the Virtual Event?

Attendees can register [here](#). OPO members will not be charged when they register; however, the OPO will receive an invoice for \$500 that includes unlimited registrations per OPO. Non-member organizations/Industry Partners can register at \$199 per person.

2. Can I share the Virtual Event link?

No. Everyone that plans to participate needs to register. Attendees will receive a unique link to access the Virtual Event platform; this link is unique to your email address and cannot be shared.

3. What can I expect from the Virtual Event?

- **Live Broadcast Sessions** – AOPO is bringing you everything you love about the Annual Meeting virtually!
- **On-Demand Sessions** – View presentations at your convenience on-demand as well as poster abstracts and recorded live broadcast sessions.
- **Virtual Exhibit Hall** – Discover innovation products, services, and technologies necessary to stay current with rapid advancements in the donation and transplantation field.
- **Earn CE credits** – Attend expert led sessions across critical topics and earn CE credits!

4. How do I access the Virtual Event?

Approximately one week before the Virtual Event, registered attendees will receive an email with a unique access link. Be sure to visit the Virtual Event page before the live event to create your attendee profile to maximize networking opportunities and learn more about the sessions offered!

5. I'm not sure if I can attend, can I register the day of the Virtual Event?

No. All participants must be registered no later than close of business, **Monday, June 15, 2020**.
