

RETOUCHING/IMAGING SPECIALIST (FREELANCE/CONTRACT)

BCG Connect is currently seeking a highly-skilled, experienced photo retouching partner. Qualified candidate will have diverse experience but primarily color correcting for high quality magazine and print publications.

Responsibilities:

- Edit and deliver image files as per client direction, retouching guidelines, and specific quality standards
- Reference requests and complete a range of requests (skin/product cleanup, color correction, background extensions, masking, etc.)
- Facilitate multiple rounds of image revisions with a quick turnaround

We anticipate an ongoing relationship averaging 10-12 hours per week.

5+ years working in an agency or prepress environment.

This position can work remotely.

Planned start date: 4/1/2019.

To apply, please email your resume and work history, along with your portfolio to: hr@bcgconnect.com.
