Our Mission: Repairing homes, revitalizing communities, rebuilding lives.

What We Do

Throughout the year, our **Safe at Home** program installs safety grab bars, wheelchair ramps, and other modifications that improve accessibility and independence. In addition, the program provides assistance with critical repairs, such as water heaters, furnaces, and roof leaks.

Our **Rebuilding Day** program takes place every April and October. We coordinate hundreds of volunteers who provide critical safety repairs to homes like yours throughout the South Bay.
