
LOYALTY REBATE!

Studio Directors can earn up to 10% rebate on Regional entry fees.

Online Entries and all fees must be postmarked or paid in full by the rebate deadline date listed on our schedule (45 days prior to the event) and/or before the maximum number of entries are received for the particular city. **NO EXCEPTIONS.**

Loyalty Rebate is based on Early Bird Discounted Regional Entry Fees.

Studio must register **a minimum of 5 groups, lines and/or productions** in order to be eligible for rebate. To qualify for the rebate a studio must submit all entry forms and total fees on one studio check. Using online registration, submit all information online, print completed forms and mail along with one studio check. If the bank for any reason returns your check, you no longer qualify for a rebate. (Rebate amount is determined after all Gift Certificates have been applied.) One rebate check will be issued after competition has taken place and written to the studio listed on original entry forms.
