

COMPETITION PERFORMANCE ORDER AND CHANGES

Elite Dance Cup does not have a general format in which we follow at our regional or national competitions. Every schedule is set up based on the breakdown of entries received for the particular event. After all entries are processed a schedule is set up which best accommodates the entries for the particular competition. We do this to best utilize time available at each event.

A competition schedule, approximate performance and award times will be sent out no later than ONE WEEK prior to each event via studio EMAIL submitted at registration.

It is the responsibility of the studio director to review all information before submitting. Changes to the program/paperwork are made at the discretion of the Elite Dance Cup office staff. **Each entry change will be subject to a \$5.00 change fee once entry is received in the office.** No changes can be made any later than 10 days prior to the first day of competition. **All change request must be made via Elite Dance Cup's online registration.** No changes will be permitted at the competition without prior approval of the Director and only under special circumstances.

Routines are expected to perform in the order they are scheduled. Elite Dance Cup will place routines containing the same competitor, on average at least 4 routines apart. Competitors are expected to be prompt and ready with all costume changes. Competing out of order for any reason without prior approval by the on-site Stage Manager will result in **adjudication only and will not be eligible for overall awards.**

Elite Dance Cup will make every effort to accommodate scheduling requests included under Special Instructions on the entry form; however, requests may not be honored due to the hardship it places on other competitors. **Dancers who request to dance outside of their scheduled grouping of age division, general or performance category may do so for adjudication only. They may not be eligible for any special or overall awards.**

- ◆ Decisions of the judges are final. Studio Owners/teacher, dancer and/or parents are not permitted to discuss scoring, or results with judges. Any protest must be submitted in writing to the on-site Director by the studio owner/teacher before the awards presentation begins.
