

Material Handler (Riverside, MO)

Company Overview

Orange EV manufactures pure-electric terminal trucks. No diesel. No emissions. Our 100% electric class-8 vehicles are proven to save money while being a safer and more reliable solution for container-handling operations. We're located 10 minutes from downtown Kansas City in Riverside, Missouri.

Position Summary

The Material Handler is responsible for day-to-day inventory movements to support the operations of production and field service teams. Major responsibilities include receiving, put-away, cycle-counting, picking, packaging, and shipping. Material Handlers will complete projects as assigned to improve the workflow of inventory in the warehouse and production areas.

Qualifications

- Be excited about joining and helping build a young, fast growing company
- Ability to handle many functions at one time and adjust to rapidly changing priorities and schedules
- Knowledge of warehouse functions
- Experience operating sit-down or standing forklifts
- Experience with barcode scanning for inventory management
- Safe driving record (occasional courier responsibilities)
- Key Traits: positive can-do attitude, initiative, maturity, dedication, and punctuality

Education: High School Diploma / GED

Experience: 2+ years of experience in material handling in a warehouse or manufacturing facility

Ideal Candidates May Also Have

- Forklift Certification
- Experience in a manufacturing environment
- Experience with safety stock, back stock, or Kanban processes

Compensation & Benefits

- Full-time \$11-\$14 per hour depending on experience.
- Health, dental and vision insurance offered with allowance.
- 2 weeks paid vacation per year plus holidays.
