Sandpiper Road Property Owner  
Virginia Beach, VA 23456

## **Subject: Sidewalk Connectivity Project on Sandpiper Road**

Dear Property Owner/Current Resident:

This letter is to inform you that the City of Virginia Beach Public Works Department will be constructing a new sidewalk along a portion of the 2500 block of Sandpiper Road. The new sidewalk is being installed at the request of the Sandbridge Civic League and is also part of the continuing effort the City of Virginia Beach (CVB) has undertaken for improving connectivity of sidewalk and pedestrian accommodations throughout the City.

This specific project will consist of installing a new 4-5 foot wide concrete sidewalk along Sandpiper Road from the intersection of Sandbridge Road to the existing sidewalk section located in front of 2545 Sandpiper Road. The specific properties that are affected by this project include:

- 305 Sandbridge Road, (CVD Fire/Rescue Station #17)
- 2521 Sandpiper Road
- 2545 Sandpiper Road

It is anticipated that the project will be underway within the next two months with the completion date of early/late spring.

Please feel free to contact me at (757) 385-4131 if you have any questions or need additional information related to this project.

Sincerely,

Brian M. Proctor  
Civil Engineer
