

Special Message from the Interim Principal II

March 17, 2020

Dear Friends:

For the past 163 years, Assumption University has dedicated itself to providing a safe and healthy and learning environment for all. However, in light of the continuing spread of COVID-19 in Canada, this goal has proven difficult given the need for social interaction with others. Yesterday, we cancelled and postponed many of our programs, classes, and public events for the foreseeable future. However, like all organizations, we take the health and welfare of our staff most seriously. To help mitigate the spread of COVID-19, medical and civil authorities have encouraged the practice of social distancing. Therefore, in order to ensure the health of our dedicated staff, Assumption University will temporarily close effective Tuesday March 17, 2020.

We will reopen once national medical authorities have deemed that the threat of infection has subsided significantly. In the coming days and weeks, we will provide updates on our website at www.assumptionu.ca along with our Facebook and Twitter pages. In addition, if you have any pressing concerns or questions, please feel free to send an email to info@assumptionu.ca.

I thank you for your patience and support as we continue to navigate through these challenging circumstances. Rest assured that Assumption University will resume its time-honoured mission of teaching goodness, discipline and knowledge.

Sincerely Yours,

John Cappucci, Ph.D.
Interim Principal
