Important Guidelines in response to COVID-19

Pranam,

Please read this message to its entirety, very carefully and follow the guidelines.

Due to the current global and local situation regarding the corona virus COVID-19 outbreak, for the safety of our Sangh members, Pathshala kids, teachers and volunteers, ALL JSNE Group Events Scheduled at JSNE Derasar are postponed until further notice. This includes Pathshala at the Derasar.

A separate communication will be sent to Pathshala students and parents for online pathshala soon.

JSNE Derasar will be accessible with the code as per current system for regular Darshan. Daily Ashta Prakari Puja / Aarti will be performed by very small number of Puja volunteers as per current system.

Although our Derasar will remain accessible, we would like to urge –

- Anyone who has symptoms of severe to moderate cold, cough, combined with fever, etc.
- If you are at any communication risk due to any contact with suspected or confirmed case
- Senior citizens

to refrain from visiting the Derasar facilities until the symptoms are resolved. These precautions will prevent spreading of germs.

Please follow below guidelines:

— When Sangh members visit Derasar please do not gather more than 10 people at once and please keep social distance of 6 feet.

— Visitors MUST put their **name** and **phone number** on the **log book** available in the front vestibule.

This decision is made by the JSNE Executive Committee for the well-being of the community at large and in accordance with guidance provided by the World Health

Organization (WHO), the Centers for Disease Control and Prevention (CDC), and other local government.

We wish for everyone's safety and good health. Please take the necessary precautions and stay safe.

Let's all pray and hope that this situation will end soon, things will get back to normal soon and we can all perform our rituals and religious activities soon.

Thank you all for your understanding.

Regards,
JSNE EC
