

Shepherd's Center of Orange Park ("SCOOP") is a 26 year old, not-for-profit organization for and by senior adults, age 55+ to improve the quality of their lives intellectually, physically, socially and spiritually. Our "Adventures in Learning" is a very successful, award-winning educational program that is attended by hundreds of seniors on Mondays, Tuesdays, Wednesdays and Thursdays for 8-week sessions, 4 times a year at two locations. The following are just a few examples of classes currently offered: Current Events, American History, Financial Planning, Bridge, Smart Phones, Crafts, Tai Chi, Line Dancing, Yoga and Exercise. A lunch program with speakers or entertainment is offered on Mondays.
