"This is my third year coming to this camp and every year I have learned something new. This camp has turned my life around."

"I have learned so much here in the past week that will help me for the rest of my life. The things that I learned here will help me make a difference in my town and school."

"I will never forget this experience and what it has taught me. I'm excited to see how I can put these skills to use in the real world. Making these memories will last a lifetime, and the friends will last forever."

"I learned a lot during my first year of camp. Being a leader is not just giving your own ideas. Sometimes it's sitting down and listening to someone else. This was something that really stuck out to me during camp."
