

ABOUT

The Giving Club allows Self Love Beauty's donors the opportunity to voice which programs their investments support. By making a donation, you are investing in those around you and are part of creating a big impact!

DONATE

Make 3 contributions per year or one lump sum (3x level):

- Level 1: \$100
- Level 2: \$250
- Level 3: \$500

VOTE

SLB will select three programs in which to vote from. The program with the most votes will receive the funding for that four month period.

Receive updates on how your contribution has generously supported SLB's mission
