Dear Camp Alleghany Parents:

I am pleased to inform you that The Nit Fairies will be screening your daughter(s) for head lice again at check-in this Summer.

The Nit Fairies is a head lice treatment and screening service located in the Midlothian, Virginia. We have been servicing Richmond and the surrounding areas since 2008 and have over 24 years of experience in treating head lice.

My staff and I will be screening campers as they come in on their designated opening day and those found with nits and/or lice will be treated by our company at a flat rate of \$200.00 each. Camp Alleghany will pay this fee upfront and parents will reimburse them as done in the previous years. Our company will be back for a Mid-Term check two weeks into both 1st and 2nd Term sessions. Those found with nits and/or lice will be treated at that time. Those that were exposed to visitors or have left camp at anytime during the session may have picked it up at that time, therefore, parent will pay for treatment at a discounted rate of \$100 and those that have not been out of camp or had visitors will be covered by The Nit Fairies in case of human error during opening screening.

Feel free to contact or e-mail us with any questions or concerns and we look forward to seeing you and your daughter(s) at Camp Alleghany!

Sincerely,

Beverly Correa
