## **ALIANZA CORPORATIVA SERVICOS SA de CV & FORMVERSE LAUNCH PARTNERSHIP TO DELIVER FORMVERSE ENTERPRISE AUTOMATION PLATFORM TO LATIN AMERICA**

March 19, 2019

**Calgary, Alberta, Canada, Pleasanton CA, USA & Mexico City, Mexico** – Today, FORMVERSE, Inc. and ALIANZA CORPORATIVA SERVICOS SA de CV announced an agreement that will enable Alianza to distribute FORMVERSE’s patented no-code Enterprise Automation Platform (EAP) to the Latin American Market. Alianza will also provide Implementation, Project Management, and Application Development Services related to the FORMVERSE Platform.

Alianza is a consultancy and services provider based in Mexico City that is focused on providing innovative products, consulting and hosting services to clients across Latin America. FORMVERSE provides its flagship software to many of the world’s largest corporations and governments.

*“We are extremely excited to partner with FORMVERSE! Their Enterprise Automation Platform is solution that will greatly benefit our customers,”* said Oliver Keller, Director General, of Alianza. *“FORMVERSE enables our customers to rapidly deploy powerful applications that automate a broad range of business processes. This is truly a powerful and unique approach.”* *“Combine that capability with the ability to fully-integrate data into and out of our customer’s other enterprise applications and we feel that it’s something that can help our customers.”*

Combining FORMVERSE’s software platform with Alianza’s expertise in the Mexican IT industry is a big win for clients. As both a FORMVERSE Certified Partner and Microsoft’s 2017 Partner of the Year for Latin America, Alianza can now provide fully hosted solutions for their clients that can automate any business process.

*“We are excited to launch this partnership with Alianza. Corporations all over the world need the kind of sophisticated functionality that FORMVERSE provides. Having such an experienced and reputable partner like Alianza will help those customers have very successful FORMVERSE implementations. Alianza will provide a deep level of expertise to customers in Latin America and be a great representation of FORMVERSE’s values and commitment to our customer’s worldwide.”* said Drake Deininger, Executive Vice President of FORMVERSE in Pleasanton, CA.
