

2018 Annual Report

Mercy Multiplied America, Inc.

What is Mercy Multiplied?

Mercy Multiplied equips all people to live free and stay free through Jesus Christ. Mercy offers:

- **A free-of-charge residential counseling program** that helps young women ages 13-32 break free from life-controlling issues and situations
- **Outreach services** that train and resource Christian leaders and helpers to effectively minister to men and women who are struggling

Mission Statement

Mercy Multiplied exists to provide opportunities and resources for all to experience God's unconditional love, forgiveness, and life-transforming power.

2018 Accomplishments

1. Mercy Multiplied continued to provide life-changing programs for young women in need. Our Intake Department fielded 10,548 phone calls and processed more than 1,337 applications. We officially extended our age range to 32 to help more women find hope and healing through the redemptive power of Jesus Christ.
2. To date, Outreach services have trained over 1,000 pastors and leaders through our MPower Workshops and our *Keys to Freedom* study. *Keys to Freedom* has now been translated into Dutch, German, and Danish and we are working on a Spanish translation.
3. We are excited to report the results of our most recent former resident study. Key findings in all categories remained essentially unchanged from the 2008 and 2013 studies, including: • *9 out of 10 participants answered "yes" when asked if Mercy Multiplied fulfilled its mission by transforming their lives and restoring their hope.* • *While 78% indicated that they were "poorly adjusted" or "not at all adjusted" to life before coming to Mercy, 80% indicated they were "well-adjusted to life" after their time in the program.*

2019 Goals

1. Serve more hurting young women through increased awareness initiatives and expand our reach through the development of strategic partnerships
2. Expand outreach efforts by partnering with churches, non-profits, and social good organizations to equip and resource leaders for more effective ministry to the hurting and struggling in their communities
3. Enhance current Mercy homes through capital improvements, which maintains Mercy's standard of excellence and communicates Christ's love to residents
