-----  
YEAR

Tell your story—from when you met Jesus up to what you're doing now. This week, let's start with how you met Jesus and when you decided to follow Him.

Work a little more on your story and finish it up.  
After you have worked on your story, find someone to share it with.

-----  
YEAR

Maybe you have just realized that you don't have a story of your own. If so, read the following verses and use the space above to write out what you think when you read them. Then, talk to one of your leaders if you have any questions.

**Romans 3:23, Romans 6:23, Romans 5:8, Romans 10:9-13**

## New Message
