-----  
YEAR

Tell your story—from when you met Jesus up to what you're doing now. This week, continue to add to your story. Add a little information about your life before you met Jesus. Don't forget to practice it.

-----  
YEAR

Maybe you have just realized that you don't have a story of your own. If so, read the following verses and use the space above to write out what you think when you read them. Then, talk to one of your leaders if you have any questions.

**Romans 3:23, Romans 6:23, Romans 5:8, Romans 10:9-13**

## New Message

To: GOD

Read through the featured Psalms this week and write a message to God. Think about what you have learned and talk to God about any changes that need to be made in your heart and with your thoughts. (Read Psalm 19:14.)
