Tennis Court Surfacing Proposal and Contract

Richardson Park

Attn: Dominick Villano
3779 Union Church Rd
Stockbridge, GA 30281
Dominick.villano@rockdalecountyga.gov
770-278-7091

Contract Date: 3/21/19

Dear Dominick,

We are pleased to submit our proposal for furnishing all labor, material and equipment necessary to complete the following:

Scope of work: Tennis Courts in poor condition, resurfacing of (1) pair of tennis courts (measuring 108' x 120'). Court have 2,157 lf of cracks. This will include the following recommended work:

Surfacing System Specifications

1. **Clean Courts** Blow, scrape and pressure clean court as necessary.
2. **Standard Crack Repair** Cracks will be thoroughly cleaned and dried and then hand trawled with **Acrytech** Acrylic crack patch. Since cracks are due to subsurface damage, there is no guarantee that cracks patched with acrylic will not reappear. *Please call to discuss permanent crack solutions, such as Armor Crack Repair. Please read material "The Life of a Tennis Court".* _____ Initial
3. **Birdbaths** Level marked birdbaths with **Acrytech** Acrylic Deep Patch. Please realize that these water areas will still exist, but the depth will be greatly reduced.
4. **Surfacing System** Apply three **Acrytech** color coat applications, two coats fortified with 80B silica sand and the final coat being the finish coat to playing pads. Install two color coat applications to out of bounds area. The **Acrytech** system has been pace tested and is certified at an ITF court pace of medium speed. Any color combination may be selected from the **Acrytech** color chip card. New court color combination MATCH EXISTING
5. **Lines** All court lines primed and painted with **Acrytech** textured line paint and marked in accordance with the rules of the United States Lawn Tennis Association.
6. Paint net posts and install new nets. Old nets will be thrown out unless otherwise notified. "Tennis court ready for play"

3/21/19

Special!!
Every court resurfaced receives a FREE
3.5 Single Tennis Net & Net Strap.
A Special Value of \$139.95 per court!
 (When Contract is signed by March 31, 2019) *Initial to accept*

Price: The above resurfacing work (this does not include any additional options) will be completed for the sum of: **\$4,950.00, Price includes any applicable federal, state, or local taxes.**

Please look over the "Resurfacing Special" sheet and include with your signed contract.

Additional options (not included in above Resurfacing Price):

1. Install Armor Crack Repair over 2,157 lf of cracks. Armor has a five year warranty and is included on all cracks repaired with Armor. If any areas fail, the cracks will be re-done and the area will be re-color coated. This warranty does not include any new cracks that may develop in the future.
<http://www.armorcrackrepair.com/>
 Additional Price: \$28,000.00 *AM* Initial to accept
2. Replace net post foundations if necessary.
 Additional Price: \$650.00 per foundation _____ Initial to accept
3. Install new net posts
 Additional Price: \$279.00 _____ Initial to accept
4. Stripe for junior tennis or pickle ball lines.
 Additional Price: Please discuss price with Marshall 770-560-9181

Warranty: Acrytech products are guaranteed for one year against color fading, peeling and chipping. Court Makers Inc. makes no guarantee against cracks re-appearing or new cracks, under standard crack repair. Please read material (what should be expected from tennis court resurfacing). Lasting qualities will depend on present pavement conditions and traffic usage and thus, we cannot guarantee the unknown, but will guarantee this to be the best material available and our workmanship to be proper. Concrete tennis courts have no warranty!

Payment: A 0% Deposit due with signed contract. Final payment due upon completion of job.

Acceptance of Contract: This proposal becomes a contract when signed by an authorized representative of the above property.
