VAC-CON

MORE TO YOU

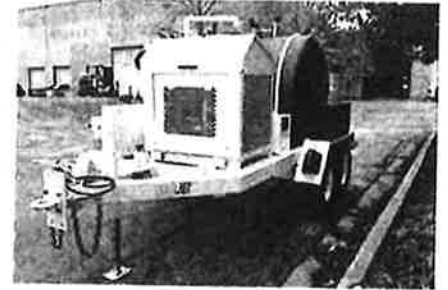

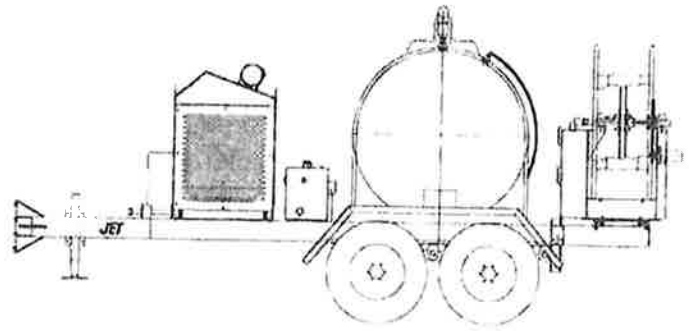

INTRODUCING THE NEW
POWER OF PORTABILITY

VECJET

VECJET™

VJ500 & VJ700

VecJet Trailer Mounted Jetter Machines

Vac-Con, in cooperation with Vector Technologies Ltd, is proud to introduce the new VecJet™ line of powerful, yet compact trailer-mounted jetter machines. These machines have a high-pressure water jet system with a Vac-Con hose reel.

The VecJet™ is designed & manufactured for Vac-Con, adding the power of portability to an already impressive line of truck mounted combination machines, excavators and industrial machines, all accessible through Vac-Con's extensive dealer network. The new VecJet™ provides the same rugged construction, quality and field-tested durability that both Vac-Con and Vector owners have relied upon for over three decades!

The VecJet™ can be configured to meet your specific demanding requirements. The following models and options are available:

VJ500 & VJ700
