

*Starting 3/25/20 and until further notice, the following practices and procedures will be in place at StonyCreek Golf Club.*

- **Hours of Operation:** Hours will vary day-to-day moving forward. We will offer tee times from 10am-3pm this Wednesday & Thursday 3/25 & 3/26.
- **NO RIDING CARTS:** We will be walking only. At this time, we do not feel we can provide a safe work environment for our staff to clean and manage golf carts.
- **Clubhouse is CLOSED:** The Doors will be locked at all times. This means we DO NOT HAVE RESTROOMS open to the public at this time.
- **Range is CLOSED:** Range buckets and balls present too many points of contact to be safe right now
- **Tee Times:** Tee time intervals are increased to every 15 minutes and reservations are required.
- **Payment/Check-in**
  - Online payment is not currently an option but we are working on it.
  - Call 317-773-1820 upon arrival at the course or when booking and pay by credit card. Please check-in via phone upon arrival and follow instructions for when to start your round.
  - Members whose Pass allows them to play without fee at a given time may check-in by phone.
- **Push Carts:** After use please leave push carts at the bag drop, so they can be cleaned with disinfectant prior to their next use.
- **On Course:** There will not be bunker rakes or ball washers. Please do not remove/tend the flag. Gimmies are encouraged. A Stopper will be placed in the hole to keep the ball from falling all the way to the bottom.

During these unprecedented times, some health and wellness in the form of walking holes on the golf course may be beneficial. If golfers, abide by our policies, we will do our best to stay open. If golfers are unable/unwilling to follow procedures, we will voluntarily close for the public good.
