

Accessible Medical Equipment Nomination, Selection, and Installation

theindependencecenter.org/get-involved/advocacy/accessible-medical-equipment

Do you have a primary care doctor's office you go to that isn't accessible?

The Independence Center will be giving select primary care doctors' offices, that accept Medicaid and/or Medicaid, an accessible exam table, Hoyer-type lift, and/or hearing loops (pack of two loops for the front desk and one exam room) so their patients can get the care they need. If you're a Medicaid or Medicare recipient with a disability, please nominate a primary care doctor's office you think needs this equipment to provide you with accessible care.

Hoyer-type Lift

Assistive device that allows patients to be transferred between places such as from wheelchair to bed.

Accessible Exam Table

Adjustable height table with built in weight scale along with other accessible features.

medicalaccessibility.com

Loop System Active

Use T-coil mode on hearing aids

Hearing Loop System

Assistive listening system that works with all telecoil equipped, cochlear implants, and induction loop receivers.

Nominations Are Now Closed

Nominations for the accessible medical equipment giveaway program are now closed. After much review and deliberation, we have selected the primary care providers who will receive the accessible exam tables, Hoyer-style lifts, and hearing loop systems. We are grateful to everyone who provided input on the locations that would best serve the needs of people with disabilities in the Pikes Peak region, as well as other rural areas throughout Colorado. By providing this equipment, The Independence Center is certain that people with mobility and hearing related disabilities, will benefit from the addition of this accessible equipment, and finally receive the equal access to healthcare that everyone deserves.

Accessible Healthcare Locations

The map below shows the various locations of accessible medical equipment provided to primary care providers throughout Colorado by The Independence Center. In the near future, this map will be updated to include all locations of offices with accessible medical equipment throughout the Pikes Peak region, so stay tuned. To see a list of the locations of accessible medical equipment by town, refer to the table below the map.

KEY

= Primary care providers with an accessible exam tables and/or Hoyer-type lift

= Primary care providers with a hearing loop system
