

ASK & ANSWER

If you were given a 10 million dollar check tomorrow what would you do?

"Clear all my debt, travel, open a bar, and buy a house"

What is something that most people don't know about you? what would you do?

"The job I had while paying for school offered me a training opportunity to move into upper management while going to school for business which they'd pay for. I almost wasn't in the industry."

What is your favorite style of food to eat, and what draws you to it? Is this also your favorite style to cook or is that different?

"Probably Italian. Pasta is one of the first things I learned to cook and personally I can eat pasta everyday. There are so many different variations that can be done. As far as style I'd like to call it eclectic fusion. I love different styles of cosines, and when you create something that respects both and makes it great."

What is one ingredient that you couldn't see yourself living without?

"Garlic"

Being that cooking is a form of the arts it really is about creativity as well, what inspires you to come up with new dishes or new plating styles?

"Personally it can just happen randomly and then take on a life of its on."

With no specific time frame on either, what is a short term and long term culinary goal of yours at the moment?

"Short term is to keep developing and growing my business. Long term would be opening a bar as well."

If you were not a chef what profession would you choose?

"Probably something dealing with sports."

What do you have coming up, or what's your next adventure?

"Looking to enter more sauce competitions and attend farmers markets to expand my business as much as possible."
