State of Craft Message
From R. W. Grand Master

My Brethren:

It has been our very great pleasure to have visited with the Freemasons throughout the Commonwealth of Pennsylvania. The Freemasons have been the leaders in our great Commonwealth through our District Visitation Program, Lodge anniversaries, cornerstone layings, Lodge Room dedications, and other activities. We have worked diligently with your record attendance at the Quarterly Communications of your Grand Lodge. It is our firm belief that the goal set on December 27, 1979, for Grand Lodge to return to the foundation stones of Freemasonry, the Blue Lodges, is within our grasp. Yes, our grasp, Brethren, yours and mine. All of us have a part in the plan and all of us will share the satisfaction of having worked together to attain that goal.

The District Visitation Program, for example, has been extremely successful, in our opinion, because you, the Freemasons of Pennsylvania, turned out in record numbers to exchange ideas with your Grand Lodge Officers and, through questions and answers, to seek a better understanding of your Grand Lodge and its actions, your Lodges and the Masonic Fraternity in general. Certainly we found differences of opinion on some issues, but honesty and candor without malice were the watchwords of the program. Your Grand Lodge Officers, at no time, avoided the issue. All those present in your questions to our Grand Lodge officers. You, in turn, were courteous and circumspect in your responses and always within the due bounds of good Masonic Conduct.

In our sessions with you in all parts of the jurisdiction, we have found a continuity of concern about the physical and financial health of your Lodges.

We believe, and we do so state, that attendance at Lodge Meetings is directly related to the attention of the Lodge to its Members. We have told (Continued on Page 4)
Three More Lodge Mergers

It has become increasingly evident that, for reasons of expediency, it is desirable for some of our Lodges to merge. The following mergers have been approved by the Grand Lodge of Pennsylvania to take effect on April 9, 1981.

Merging Lodge

The following Lodge Mergers are now to be held at Philadelphia for the past 21 years, shown on the right, had the privilege and pleasure of entertaining his son, Bro. Robert W. Grand Master. In arriving at just what to present to the Members of Lodge No. 9 as a fitting tribute to Bro. Joseph E. Trate, Right Worshipful Grand Master, the Committee on Masonic Homes at Elizabethtown, determined what to provide for the Members of Lodge No. 9, the Lodge presented a check in the amount of $125,000.00 to the Grand Master at its Stated Meeting on November 7, 1980. The check was designed to cover the construction and installation of a Hyperbaric Oxygen Chamber for use in the Masonic Homes Health Center at the Homes.

On Saturday, July 25, 1981, a large delegation of the Officers and Members of Lodge No. 9, accompanied by their families and friends, visited the Masonic Homes and enjoyed a full day of activity, including a Special Meeting of Lodge No. 9 in the Masonic Temple at the Homes and followed by a most inspiring and well-planned dedication ceremony for the new Hyperbaric Oxygen Chamber, attended by several hundred.

The treatment possible by this recent installation of the Homes is considered relatively new. In 1980 there were only 55 units nationwide. The chamber is designed to treat patients with 100% oxygen at pressures up to 3 atmospheres absolute. While being treated, a patient may watch television or listen to the radio and is in constant communication with the technician.

It would be impossible to list all the treatment categories but a few include: Acute carbon monoxide poisoning; cyanide poisoning; depression sickness; skin grafts; multiple ulcers, acute peripheral arterial insufficiency, intestinal obstruction, and stasis ulcer.

A tremendous amount of research has been exerted in the adoption and development of this new type treatment. And, a great amount of research was extended by the Officers and Members of Lodge No. 9, in arriving at just what to purchase for the Masonic Homes as a fitting tribute to Bro. Joseph E. Trate, R. W. Grand Master, a long-time friend and neighbor of Lodge No. 9.

It would be well worth your time to stop and see the new equipment and the excellent room that was designed and furnished for its use on your next visit to the Masonic Homes Health Care Center.

Another Father-Son Event

The Officers and Members of Lodge No. 9, held at Tacony, Philadelphia, who have, for many years, made sizable contributions to the Masonic Homes at Elizabethtown, have, once again, displayed that "Masonic Care Philosophy" with a most unusual gift to the Masonic Homes Health Care Center in honor of Bro. Joseph E. Trate, Right Worshipful Grand Master.

As one of the highlights in the year-long celebration commemorating the 200th Anniversary of Lodge No. 9, the Lodge presented a check in the amount of $125,000.00 to the Grand Master at its Stated Meeting on November 7, 1980. The check was designed to cover the construction and installation of a Hyperbaric Oxygen Chamber for use in the Masonic Homes Health Care Center at the Homes.

Masonic Homes

The Masonic Homes at Elizabethtown, Pennsylvania, are owned and operated by the Grand Lodge of Free and Accepted Masons of Pennsylvania and Masonic Jurisdiction. The Committee on Masonic Homes is governed by the Grand Lodge which, for reasons of expediency, it is desirable for some of our Lodges to merge. The following mergers have been approved by the Grand Lodge of Pennsylvania to take effect on April 9, 1981.

How to Lodge Officers that if they want attendance, they must be attentive to the interests of those, whose attendance they contact. Those Members who are irregular in attendance, that the cause of their absence is usually due to illness. There is little doubt that some of the absent Members will be found to be ill, discouraged or over-worked. In order to have a lack of interest, for one reason or another, in attending their Lodge Meetings is another opportunity for Freemasons to practice the Brotherhood which their Fraternity claims as its purpose. Other opportunities also exist in the Lodge Meetings. Lodge Officers, as well as Lodge Members, may be busy, or disadvantaged as to ignore the Members who attend the meetings—the "sideliners" as some have called them. They are as important as the Officers.

Think what Lodge Meetings would be without them! How long and how impatiently each one eagerly awaits reservation of his place at a certain hour, in a Certain Lodge and time, time and time again. Those contacts are to be given at the Stated Meetings of the Lodges. Assistance to Members, if needed, can be given using Lodge charity funds, to help Members or families of deceased Members, if needed, through the personal application of charity by the Members of the Lodge. If a Lodge in another state, has been embarrassed at being unable to attend, then the Lodge could not present a current Dues Card to the Tyler.

Decision on Lodge Dues
We have always believed that Dues are a charge that is concerned with Lodge finances. Increasing attendance and membership are crucial to increasing financial success. Discussions of Dues, in either the Lodge or in the Masonic Community, can be made by our predecessors will help to achieve that goal. Examples of the latter were the Decisions on pro- tecting the Lodge and increasing the amount of time a newly-Raised Master Mason must wait before signing a petition for or other Masonic organization. Those Decisions should provide Lodges with more income and dedicated Members. Our Decision to establish Lodge Committees on Visitation, for example, can aid Lodges to put more Members to work in addition to increasing attendance, and to maintain an increase in membership and raising income. With respect to that last item, raising dues must be a decision regarding Lodge Dues and Permanent Fund Reserve Accounts should work together to improve the financial health of the Lodge.

Strengthening the Blue Lodges, the foundation of all Freemasonry, is not an easy task. It will take dedication and work by all Members of the Blue Lodges and of the Grand Lodge, and good communication between the Lodges and Grand Lodge will be essential to the success of their efforts. We hope that we all meet that challenge. We recognize that communication during our visitations to the seventy Masonic Distri- cts in the jurisdiction.

Union Lodge, No. 334

On an honorary Member of the Supreme Council, Thirty-third Degree, in 1962.

Other Masonic memberships included: the Balin, Knights of the Red Cross of Constantine, Masonic Veterans of Pennsylvania, The Scottish Rite of Scotland, the High Twelve Club of Philadelphia, the Young Socialists and recipients of the Legion of Honor. The International Supreme Council of the Order of B^.M.1.

Highlighting his two-year term as Right Worshipful Grand Master was a program that increased the attendance at the Stated Meet- ings of the “Blue Lodges” a most successful month of “Rededication to Freemasonry and Country” during October 1975, in readiness for the bicentennial celebration of our Nation's birth. Dues are not paid, either for members of our Lodge, or for members of any other organization. Those Dues should provide Lodges with more income and dedicated Members. Our Decision to establish Lodge Committees on Visitation, for example, can aid Lodges to put more Members to work in addition to increasing attendance, and to maintain an increase in membership and raising income. Commemorating Our 250th Year

Bronze Medallions and Masonic Book Available

A limited number of commemorative medallions, struck in bronze to mark the 250th Anniversary of Freemasonry in Pennsylvania, are now available to collectors of Masonic materials.

Also available are hard and soft cover volumes of an anniversary reprint of Henry S. Borneman’s “Early Freemasonry in Pennsylvania.”

The medallions and the book were struck in two different sizes; one at three inches in diameter and the other one and one-half inch in diameter. Both bear on the face in relief a representation of the statue of Benjamin Franklin—Craftsman.

The reverse side of the three-inch medallion contains the seal of the Grand Lodge and follows the pattern developed in 1967 when a special commemorative issue was created upon the dedication of the statue “Washington at Prayer” that was presented by the Masons of Pennsylvania to Freedoms Foundation at Valley Forge. The current issue, of course, commemorates the 250th Anniversary of Freemasonry in Pennsylvania that was culminated by the presentation of the Franklin statue to the citizens of Philadelphia by the Masons of Pennsylvania.

The reverse of the smaller medallion contains the seal of the Grand Lodge and follows the pattern developed in 1967 when a special commemorative issue was created upon the dedication of the statue “Washington at Prayer” that was presented by the Masons of Pennsylvania to Freedoms Foundation at Valley Forge. The current issue, of course, commemorates the 250th Anniversary of Freemasonry in Pennsylvania that was culminated by the presentation of the Franklin statue to the citizens of Philadelphia by the Masons of Pennsylvania.

The purchase price of the large medallion has been set at $13.00 and the small medallion at $2.00. The price covers the actual cost of manufacture, handling, mailing and required taxes.

DIRECTIONS FOR ORDERING MEDALLIONS OR BOOKS

Please address your orders by mail to:
Office of R. W. Grand Master
Masonic Temple, One North Broad Street
Philadelphia, Pa. 19107

Indicate exactly what you want. Make your check payable to:
R. W. Grand Secretary

Include your name, complete mailing address and your ZIP Code.

Above is shown the exact size of the smaller bronze medallion also struck to commemorate the 250th Anniversary of Freemasonry in Pennsylvania and showing the obverse and reverse sides which is also available for purchase.

Wisdom, Strength and Fraternity in an inner circle while the names of the 250th anniversary and the dates June 25, 1731 to June 24, 1981 are contained in the outer circle.

The purchase price of the large medallion has been set at $33.00.

The book contains a facsimile of the Thomas Carmick Manuscript, dated 1727, together with a transcription of this rare and fascinating document. See article on Page 6.

The book is the only time we can call our own and it behooves us, as Freemasons, to place ourselves in the vanguard of those who would bring to pass the application of the Golden Rule.

Area Masonic Culture Seminars Being Held

Members of the Grand Lodge Committee on Masonic Culture have been busy conducting Masonic Culture Seminars throughout the jurisdiction for District Deputy Grand Masters and District Chairmen for the Grand Lodge Committee on Masonic Culture.

These Masonic Culture Seminars, designed to indoctrinate the District Chairmen in the Masonic Culture outreach, have been conducted simultaneously in four areas set aside throughout the jurisdiction. Bro. J. Keith Howes conducted the Seminars in Area B; Bro. Arthur T. Yaggi conducted the Seminars in Area A; and Bro. Robert Batte conducted the Seminars in Area C, both comprising the Masonic Districts in the eastern half of the State. Bro. Walter L. Sykes conducted the Seminars in Area D, covering the Masonic Districts in the western half of the State.

Topics covered and discussed included a paper prepared as a “Guide for the District Chairmen” on the responsibilities and relationship of the District Deputy Grand Master and his District Chairman for the Grand Lodge Committee on Masonic Culture; Library and Museum Information; Masonic Culture Activities and Program for the Masonic Districts; and a thorough briefing on the responsibility of the Lodge Committee on Masonic Culture as pertains to the Proficiency Program for new Candidates after they have received the Master Mason's Degree. An informative packet containing booklets, pamphlets and papers on Pennsylvania Masonic Culture is distributed to all attending the Area Seminars.

This is all part of an ambitious program being promoted by the Grand Lodge Committee on Masonic Culture, under the Chairmanship of Bro. John K. Young, R. W. Past Grand Master, and his dedicated Committee.

A MUS FOR A PENNSYLVANIA MASON—Shown above are copies of the deluxe hard-bound cover, on the left, and the paper-bound cover, on the right, of the reprint edition of Bro. Henry S. Borneman’s classic book, "Early Freemasonry in Pennsylvania." This reprint edition of a book long out of print, was authorized to help commemorate the 250th Anniversary of Freemasonry in Pennsylvania this year. The book includes a facsimile of the Thomas Carmick Manuscript, dated 1727, together with a transcription of this rare and fascinating document. See article on Page 6.

QUITE A GROUP OF DEMOLAY'S AND THEIR ADVISORS—Shown covering the spacious porch of Rankin Hall on the Patton School Campus is the excellent group of DeMolay Annual Leadership advisors who enjoyed a full week of Leadership training and recreation at the Patton School Campus this past August. Most of the DeMolays shown are from Chapters in Pennsylvania and the occasion was one of twelve International Superior Council, Order of DeMolay, Leadership Training Conferences. Our Grand Lodge was host to two of these and it can be stated that the first time the Patton School Campus was selected for one of these conferences, held annually throughout the United States. It was a great week of training, recreation and the best fellowship possible. Even the flies and the little buggy pests got out of the act.
An Explanation of Proficiency Program and Waiting Period

The Grand Master, in answering questions during the war of 90 District Visitation he has conducted to date, has noticed the Brethren still continue to ask for a clarification of the proficiency decision. The proficiency decision was established in 1977 by then Grand Master, Bro. John L. McManus. It is designed to give new Members of the Fraternity the opportunity to learn the content of the Ritual within a short time after it was received.

A series of questions relating to the three degrees was developed as a second series relating to the history and culture of the Fraternity.

The confusion Grand Master Trestle has encountered relates to the five general principles that are applied to their training. The answer given is that to avoid misleading Members of the Fraternity would be to require them to be certified proficient.

The Grand Master has been requested to provide a Proficiency Program that is being used by the District Deputy Grand Masters to indicate the status of all Candidates for the degrees. Using the form, it can be determined that at a glance how many people have received the degrees for a given period and how many, having received the degrees, have or have not become proficient.

Since 1967 when the proficiency program was installed in Pennsylvania, statistics derived from Lodge records of certification show the following:

An average of 97 percent of the Candidates whom the Entered Apprentice Masons had confirmed were certified proficient. Of the remaining four percent, who were not certified, two-thirds were the Entered Apprentice Masons for one or more years, and one-third for less than one year.

Of those Candidates upon whom the Fellowcraft Degree of the Masonic Fraternity was conferred, an average of 97 percent of the Entered Apprentice Masons for one or more years, and one-third for less than one year.

An average of 83 percent of the Candidates who were Master Masons for a one-year period were certified proficient. Of the remaining 17 percent, who were not certified, approximately 9 percent had received the Fellowcraft Degree and had not been a Fellowcraft Mason for less than one year and 8 percent had received the Entered Apprentice Degree.
Open Territory Resolution

Early in 1980, seventeen Lodges submitted a petition to the Grand Lodge of Pennsylvania to make contiguous counties in Pennsylvania open territory for petitioning. The petitions were supported by the Wor-shipful Grand Master, asking the Grand Lodge to consider extending open territory to contiguous counties as a means of expanding the Masonic Fraternity in the state. The petitioners believed that open territory would provide a greater opportunity for potential members to learn about and join the Masonic Fraternity.

Three Brothers Now Fifty-Year Members

Word comes from Bro. Richard W. Hockersmith, a resident of Shippenburg and a retired postal worker, that three of his brothers, all members of Cumberland Valley Lodge, No. 315, Shippenburg, are now the proud recipients of the Grand Lodge Fifty-Year Membership Emblem. Bro. Hockersmith held a rendezvous with the group of young musicians and vocalists to celebrate the occasion.

A MOST ENTERTAINING GROUP—Those fortunate enough to have reservations for the evening of Wednesday, December 2nd, 1981, in the Dominion Ballroom of the Franklin Plaza, Philadelphia, will have both the privilege and the pleasure of being entertained by one of the truly exciting groups of young musicians and vocalists. One of their admirers stated: "They are the cream of the crop."

December Quarterly

AT Philadelphia

(Continued from Page 1)

A coupon for those planning to participate appears on this page. All that is required is to complete the form, marking it and checking the box as indicated.

If you expect to attend the dinner being in your group, you should add that information to the coupon and make your reservations for the single entree not your response. Each table in the Dominion Ballroom will accommodate 10 persons.

Be sure to enclose a self-addressed, stamped envelope with your names and addresses.

The heart of any production show is the material selected for presentation. The new Spurrlow Show contains a wide range of diversified material guaranteed to please even the most selective audience.

A 40's medley takes you on a nostalgic tour through the great ballroom dances of the 40's, complete with the era's fashion and music, new costumes all combine to please even the most critical of audiences.

December Quarterly

At Philadelphia

Due to retirements and other personnel changes, there is a need for Security Guards and Maintenance Men to work at the Masonic Temple, Philadelphia. Any interested in this type of employment may call William Vogt at 215-988-1916.
