The Bear Song

[Tune: Sippin' Cider]

The other day, I saw a bear
A great big bear, away out there.
He looked at me I looked at him.
He sized me up I sized up him.

He said to me, "Why don't you run?
I see you isn't, got any gun."
And so I ran, away from there,
But right behind, me was that bare.

Ahead of me, there was a tree
A great big tree Oh lucky me!
The nearest branch, was ten feet up.
I'll have to jump, and trust my luck.

And so I jumped into the air,
But I missed that branch o-way up there.
Now don't you fret, and don't you frown,
I caught that branch, on the way down.

That's all there is, there ain't no more
Unless I see that bear once more.

Bicycle Built For Two

Daisy, Daisy,
Give me your answer do
I'm half crazy,
All for the love of you
It won't be a stylish marriage
I can't afford a carriage
But you'll look sweet
Upon the seat
Of a bicycle built for two

Michael, Michael
Here is your answer true.
I'll not cycle

Over the world with you.
If you can't afford a carriage,
There won't be any marriage.
'Cause I'll be darned,
If I'll be seen
On a bicycle built for two!

Chocolate Chip Cookies

(CHORUS)

*Chocolate chip cookies, you got to have more.
You can bake 'em in the oven or buy 'em at the store.
But whatever you do, have 'em ready at the door,
And I'll Love you forever more.
Boom, boom, boom.*

They're made out of sugar, butter and flour,
You can bake 'em in the oven in about half an hour.
But the thing that gives them their magical power
Is the chocolate chips inside.
Boom, boom, boom. CHORUS

You can't eat one, you can't eat two.
Once you start chewing, there's nothing you can do.
But clean the plate and eat the crumbs too.
Then go out and buy some more.
Boom, boom, boom. CHORUS

When I die, I don't want wings,
A golden halo, or a harp that sings.
Give me a book, a fire
And someone who brings me chocolate chip cookies all day.
With milk please!

Daisy

There's a daisy on my toe

So I look pretty while takin' a shower.
It's on the second toe of my left foot.
A stemless flower, it has no root.
Why? Cause that wouldn't look good!
There's a daisy on my toe, my right foot loves my left foot so!

Popped out my head,
Down came the window,
Off rolled my head
And “naaaahhhhhh” went Georgie

Shake it like a milkshake
And shake it once again.
Oh rock it to the bottom. .
Rock it to the top.

Growing up Girl Scouts **(Tune: Brownie Smile Song)**

Daisies
"I've something in my pocket..."
That's what the big girls say.
I'll have a pocket of my own,
When I wear brown someday.
My life is bright and easy,
I smile most of the day.
'm having loads of fun now,
I sing and laugh and play!

Brownies
I've something in my pocket,
That belongs across my face.
I keep it very close at hand
In a most convenient place.
I bet you'll never guess it
If you guessed a long, long while.
I'll put it on and show you now,
It's a great big Brownie Smile!

Juniors
"I've something in my pocket..."
That's what I used to say.

I spent my time so aimlessly,
At home, at school, at play.
Now every day is special,
I'm searching, who am I?
Only I can find that out,
Please let me have a try!

Cadettes
"I've something in my pocket..."
That's what I used to say.
Playing childhood games with friends,
Seems just like yesterday.
I'm becoming a young woman,
Soon I'll be a child no more.
There's loads of opportunities
And so much more to explore.

Seniors
"I've something in my pocket..."
That's what I used to say.
Then mother nature waved her hand
And childhood flew away.
Today my needs are different,
I wonder, "What will I be?"
I'm making life decisions now,
The choices are up to me.

Leaders
I have something in my pocket,
That's what we always said,
But now we are the leaders,
Teaching them instead.
We teach them when they're young,
We guide them when they're old,
We watch them grow up strong and tall,
And that is our reward.

Hermie the Worm

Sittin' on a fencepost, chewing my bubblegum (chew, chew,
chew, chew)

Playin' with my yo-yo, whoo whoo!

When along came Hermie the worm

He was this big (make a motion as if measuring a tiny worm)

And I said, "Hermie, What happened? "I ate my Mother."

(repeat verse, with worm getting larger and larger)

"I ate my Father

"I ate my Brother."

"I ate my Sister."

"I ate my Dog."

(repeat verse one last time, with a tiny worm action for:)

"I burped."

I Wish I Were a Little Bar of Soap

Oh I wish I were a little bar of soap,

Bar of soap

Oh I wish I were a little bar of soap,

Bar of soap

For I'd slippy and I'd slidy

Over everybody's hidey

Oh I wish I were a little bar of soap

Oh I wish I were a little mosquito,

Little mosquito

Oh I wish I were a little mosquito,

Little mosquito

For I'd nippy and I bity

Under everybody's nightie

Oh I wish I were a little mosquito

Oh I wish I were a little bottle of pop,

Bottle of pop

Oh I wish I were a little bottle of pop,

Bottle of pop

For I'd go down with a slurp

And I'd come up with a burp

Oh I wish I were a little bottle of pop

Oh I wish I were a little English sparrow,

English sparrow

Oh I wish I were a little English sparrow,

English sparrow

For I'd sit on the steeple

And poo on the people

Oh I wish I were a little English sparrow

On the Loose

*(CHORUS) On the loose to climb a mountain, on the loose where
I am free.*

*On the loose to live my life the way I think my life should be.
For I only have a moment and a whole world yet to see.
I'll be looking for tomorrow on the loose.*

Have you ever watched the sunrise turn the sky completely red?
Have you slept beneath the moon and stars, a pine grove for your
bed?

Do you sit and talk with friends, though a word is never said?
Then you're just like me and you've been on the loose.

CHORUS

There's a trail that I'll be hiking just to see where it might go.
Many places yet to visit, many people yet to know.
So in following my dreams, I will live and I will grow
On the trail that's out there waiting, out there on the loose.

CHORUS

So in search of love and laughter I'll be traveling 'cross this land.
Never sure of where I'm going for I haven't any plans.
So in time, when you are ready, come and join me, take my hand,
And together we'll share life out on the loose.

CHORUS

On Top of Spaghetti

On top of spaghetti
All covered with cheese
I lost my poor meatball
When somebody sneezed

It rolled off the table
And on to the floor
And then my poor meatball
Rolled out the door .

It rolled in the garden
And under a bush
And then my poor meatball
Was nothing but mush

Oh, the mush was as tasty
As tasty could be
And early next summer
It grew into a tree

The tree was all covered
With beautiful moss
It grew lovely meatballs
And tomato sauce

So if you eat spaghetti
All covered with cheese
Hold on to your meatball
And don't ever sneeze.

Penguin

Have you ever seen,
A penguin come to tea?
Take a look at me,
A penguin you will see

Penguin! Attention!
Penguins begin!

(After every verse do motions)

Popcorn Man

[tune: Do You Know the Muffin Man]

O do you know the Popcorn man,
the popcorn man, the popcorn man.
O do you know the popcorn man that lives in
(daisy, brownie, junior) land.

(One girl is chosen popper and the rest are in a
circle around her. All are singing but only she is
popping (jumping up and down) and then all sing:)

Oh yes, I know the popcorn man,
the popcorn man, the popcorn man,
oh yes. I know the popcorn man that lives in
brownie land .

(At this point the popper hops in front of another girl and they both
are popping in the center. Song starts over, until they all are
popping .)

Princess Pat

The Princess Pat
Lived in a tree.
She sailed across
The seven seas.
She sailed across
The channel too.
And took with her
The rig of bamboo.

*(CHORUS) The rig of bamboo,
Now what is that?
It's something made
By the Princess Pat.
It's red and gold
And purple too.
That's why it's called
The rig of bamboo.*

Now Captain Jack
Had a mighty fine crew.
They sailed across
The channel too.
But their ship sank
And yours will too,
If you forget
Your rig of bamboo.
CHORUS

Puff the Magic Dragon

*Chorus:
Puff the magic dragon lived by the sea,
And frolicked in the autumn mist, in a land called Hanalee*

Little Jackie Paper loved that rascal Puff,
And brought him string and sealing wax and other fancy stuff
Together the world they traveled, on a boat with billowed sails,
Jackie kept a lookout perched on Puff's gigantic tail.
Noble kings and princes would bow when er'e they came,
Pirate ships would lower their flags when Puff roared out his name

Chorus

A dragon lives forever, but not so little boys.
Painted wings and giant's rings, make way for other toys.
One gray night it happened, Jackie came no more,
And Puff that mighty dragon he ceased his fearless roar.
His head was bent in sorrow, Green scales fell like rain,
Puff no longer went to play along that Cherry Lane.
Without his life-long friend, Puff could not be brave,
So Puff that mighty dragon, sadly slipped into his cave.

Chorus

One bright morn it happened, Puff woke from a dream.
He thought he heard a familiar voice and Jackie's smile it seemed.
He looked around his cavern and over by the door,
Stood a little boy with a piece of string and a smile he'd seen
before.
He said, "Hello, I'm Billy. My dad told me your name.
He said I'd find you in your cave along the Cherry Lane."
Puff the magic dragon smiled in his joy
He'd never be alone again, for this was Jackie's boy!

Chorus

Running Bear

(Chorus)

*Running Bear loves little White Dove
With a love as big as the sky.
Running Bear loves Little White Dove
With a love that never dies.*

On the one side, of the river, stood Running Bear,
Young Indian brave.
On the other side, of the river, stood a lovely Indian Maid.
Little White Dove was her name, what a lovely site to see.
But their tribes fought, with each other.
So their love could never be.

(Chorus)

They couldn't swim the raging river,
Because the river was too wide.
He couldn't reach his Little White Dove
Waiting on the other side.
In the moonlight he could see her
Blowing kisses cross the waves.
Her little heart was beating faster waiting for her brave.

(Chorus)

Running Bear dove into the water.
Little White Dove did the same.
As they swam out to each other,
To their swirling depths they came.
First their eyes met each other
Then the river pulled them down.
Now they'll always, be together,
In that happy hunting ground.

We Come From the Mountains

Go back to the mountains (same hand motions, as in previous verse)
And turn the world around. (same hand motion)*

We come from the fire (Hold hands in front of you, palm facing you and wiggle fingers)
We come from the fire (same action)
Go back to the fire (thumbs point back, make "fire" action)
And turn the world around (same hand motion)

Chorus:

*Weeeee come from the fire (Hold hands in front of you, palm facing you and wiggle fingers)
Go back to the fire (same actions as in verse)
And turn the world around (same actions)*

We come from the water (take right hand and make a water wave with it)
We come from the water (same actions as before)
Go back to the water (thumbs point back, make wave action)
And turn the world around (same action)

Weinie Man

Once there was a weenie man,
He owned a weenie stand
He sold everything from
Hotdogs to down, down, down, down,
Someday I'll join his life,
I'll be his weenie wife
Hotdog I love that weenie man
A weenie, weenie, weenie with a bun, bun, bun with mustard sauce
A weenie, weenie, weenie with a bun, bun, bun with mustard sauce

Yes, She Can

(Tune: She'll Be Comin Around The Mountain)

Can a woman fly an airplane? Yes, she can, Yes she can

Can a woman build a building? Yes she can, Yes she can.

Can a woman fight a fire? Can a woman change a tire?

Can a woman lead a choir? Yes she can, Yes she can.

Can a woman be a lawyer? Yes she can, Yes she can.

Can a woman fix an engine? Yes she can, Yes she can.

Can a woman be a drummer? Can a woman be a plumber?

Can she play ball in the summer? Yes she can, Yes she can.

Can a woman be a doctor? Yes she can, Yes she can.

Can a woman drive a tractor Yes she can, Yes she can.

Can a woman lead a nation? Can she run a TV station?

Can she head a corporation? Yes she can, Yes she can.

Just you wait until we're older, Then you'll see, then you'll see.

We'll be women in tomorrow's history, history.

As we grow up through the years, we can sing out loud and clear,

Can we start the process here, Yes we can, Yes we can!
