DUAL SIDED DISPENSER M1 PRO SYSTEM

Dispense DEF & diesel | Built-in inventory management | Reliable

What sets TECALEMIT's M1 Dispenser apart from the others is its 2-hose option. With the M1, you are capable of dispensing [DEF + DEF] [DEF + diesel] [diesel + diesel]. It also comes with TECALEMIT's line of Hornet pumps, which allow flow rates of 22 gpm [diesel] and 10 gpm [DEF] at the nozzle, respectively. The M1 has a built-in automated inventory management system, the Superbox. Track transactions, vehicles, drivers, and more.
