

Position: BIM Technician

Auburn Mechanical, a leader in the mechanical contracting industry, is seeking a BIM Technician to work with the engineering team and the Lead BIM Technician to produce 3D models of plumbing and HVAC systems for commercial buildings. Candidate will interface directly with design/construction team members. The BIM Technician position is a full time position with a competitive benefits package including 100% employer paid medical, dental, vision, short & long term disability and life insurance.

Essential Duties and Responsibilities include the following: Other duties may be assigned.

- Model HVAC, plumbing, and piping systems using Revit MEP and AutoCAD MEP
- Set up plot sheets, sections, and details for projects
- Import word, excel, pdf documents into Revit model as required
- Monitor and update project backgrounds
- Coordinate workload with Lead BIM Technician
- Produce accurate building models and drawing sets using engineering, detailing, and field markups
- Create 3D model out of existing 2D CAD plans as required
- Use Revit model to ensure proper mechanical clearances and access
- Assist internal design team with technical Revit support
- Help implement and manage drawing standards and maintain model quality
- Upload drawings and models to client websites and servers
- Supporting Duties:
 - Provide overflow support for Construction CAD Team
 - Plot drawing sets as required
 - Assist the Lead BIM Tech in maintaining libraries and templates

Qualifications: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.

- Commitment to supporting aggressive project deadlines
- Works well with internal and external team members
- Strong communication skills
- Positive attitude
- Detail oriented
- Understanding of basic construction principles

Education/Experience:

- This is an entry level position. Any prior design/drafting experience is highly valued and desired.
- Any technical education is highly valued and desired.

Computer Skills: Proficiency with the following programs:

- Microsoft Word, Excel, and Outlook.
- Autodesk AutoCAD and Revit MEP.
- Bluebeam Revu Extreme

I certify that the information given by me is true and complete to the best of my knowledge. I understand that if I am employed, the discovery that I gave false information during the application process may result in immediate dismissal.

I authorize the Company to which I am providing this application (Auburn Mechanical) to investigate all statements contained in this application and to request information about me from previous employers, educational institutions, and references. I expressly authorize my previous employers to provide information and opinions concerning my work and work habits. Further, I release all parties (including Auburn Mechanical) and persons connected with any requests for information from all claims, liabilities, and damages for whatever reason, arising out of furnishing any information. If employed, I release Auburn Mechanical from any liability for future references it may provide regarding my work history with Auburn Mechanical.

Due to the large number of applications that Auburn Mechanical receives, I understand Auburn Mechanical cannot guarantee that my application will be considered for any or all open positions they or Auburn Mechanical may have or that my application will be considered for any specific time.

In the event of employment, I understand that I am required to abide by all current and subsequently issued rules and regulations of Auburn Mechanical and that my employment and compensation may be terminated, at any time, with or without notice, by either party.
