Subject: One-Stop Operator Selection

Dear Morris, Sussex, Warren Workforce Development Board Members,

The Workforce Innovation and Opportunity Act requires that Workforce Development Boards competitively select the One-Stop Operator. After discussion of this requirement, the Executive Committee recommends that it:

- Issue a Request for Competitive Contract Proposals for One-Stop Operator
- Receive and review resulting proposals
- Make a funding recommendation to the entire Workforce Development Board

We feel that this process provides an appropriate firewall against conflict of interest in selecting the One-Stop Operator.

If you agree with this recommendation, no action is required. If you disagree or would like to discuss this recommendation, please contact me at [REDACTED] or [REDACTED] by December 26, 2016. Thank you for your consideration.

Regards,
