

2013 Terragena Father Son Blend Holden-Mapley Vineyard

Inaugural release composed of Cabernet Sauvignon and Cabernet Franc in roughly equal proportions. The parent-child relationship of these grape varieties inspired us to name this wine “Father and Son,” and the name is also a tribute to our families who continue to support us throughout our adventures. Subtle red and black fruit flavors with significant oak influence adding notes of black pepper, coffee, chocolate, vanilla, and cinnamon. All grapes for this wine sourced from the family-owned Holden-Mapley Vineyard in Alexander Valley AVA along the Chalk Hill Road. Small hand-made production with 840 bottles produced.

About the Vineyard

Located along Chalk Hill Road in Sonoma County, California, this small vineyard is owned by the Holden-Mapley family and is located next to the family home. The vineyard includes several varieties of grapes, including cabernet sauvignon, cabernet franc, and merlot.

About the Winery

The Terragena Vineyard team, headed by winemaker and vineyard proprietor Chris Buchanan, crafts limited production wines with the same spirit of adventure that first led us to build our off-grid vineyard in Humboldt County. We are inspired by the ruggedly beautiful hills, forests, and meadows around us to create wine that expresses these characteristics of the land without any added fluff or distraction. *Terragena* is a latin word meaning “born of the earth.” We are dedicated to sustainably expressing the unique characteristics of our estate vineyard as well as our diverse partner vineyards by nurturing the wine from the earth to the bottle.
