Two Thoughts for Today

A belief that God acts with purpose in this world must lead to attempts, however feeble,
to discern how my own actions might be attuned to God's one action.

William Barry in *Presence*

The basic decision, after all, is to let God be God, to say "yes" to the work of the Lord,
which goes before the church's ability to understand or even perceive it.

Luke Timothy Johnson, *Scripture and Discernment*
