CHILDREN'S THEATRE

COVID-19 Safety Procedures

Staff and Students must stay home when appropriate. Employees and students who are sick or have recently had [close contact](#) with a person with COVID-19 are asked to stay home.

Rehearsals

- The health and safety of our community have been the top priority of Genesis Children's Theatre throughout the pandemic, and we've closely followed the CDC's recommendations over time. Given the CDC's updated guidance, we no longer require fully vaccinated students and team members to wear face coverings throughout rehearsals or performances. Face coverings continue to be recommended for students and team members who are not fully vaccinated. Face shields are an additional option for students and team members during rehearsals or performances, which the theatre can provide.
- To maintain a clean space, students will continue to be required to place used water bottles and any personal trash in trash bins outside the Genesis front door each day. Students will spend the last 5 minutes of rehearsal gathering personal items and trash to be removed.

Performances

- Following the CDC's updated guidance, we no longer require fully vaccinated audience members to wear face coverings throughout the show. Face coverings continue to be recommended for audience members who are not fully vaccinated.
- Audience seating is at full capacity.
- There will continue to be no paper playbills. Ticket purchasers will get a seating chart handout with a QR code that can be used to see a virtual playbill on mobile devices.
- There will be no snacks or water available for purchase at the time being.
- At the end of the performance, audience members will be asked to head to the lobby and outside area in front of the theater to visit with the actors.
- When ticket sales open, the first 24 hours will be reserved for only immediate families of actors. ***Please limit yourselves to 10 tickets per show run during this time.*** After 24 hours, all performances will be open for anyone to purchase tickets.
