Book Review

By Judy Bane

"The Land Of Wolves"

by Craig Johnson

Love me some Longmire! This is an author who can't write fast enough for me. A great plot, descriptive writing and complex characters make this a top notch series to read.

This latest title is all that is good about a Longmire book. Walt battles his demons even as he battles to keep the peace in his corner of Wyoming.

The new novel in Craig Johnson's beloved *New York Times* best-selling Longmire series.

"It's the scenery - and the big guy standing in front of the scenery - that keeps us coming back to Craig Johnson's lean and leathery mysteries." *The New York Times Book Review*.

Recovering from his harrowing experiences in Mexico, Sheriff Walt Longmire returns to Absaroka County, Wyoming, to lick his wounds and try once again to maintain justice in a place with grudges that go back generations. When a shepherd is found dead, Longmire suspects it could be suicide. But the shepherd's connection to the Extepare, a powerful family of Basque ranchers with a history of violence, leads the sheriff into an intricate investigation of a possible murder.

As Walt searches for information about the shepherd, he comes across strange carvings on trees, as well as play money coupons from inside Mallo Cup candies, which he interprets as messages from his spiritual guide, Virgil White Buffalo. Longmire doesn't know how these little blue cards are appearing, but Virgil usually reaches out if a child is in danger. So when a young boy with ties to the Extepare clan arrives in town, the stakes grow even higher.

Even more complicating, a renegade wolf has been haunting the Bighorn Mountains, and the townspeople are out for blood. With both a wolf and a killer on the loose, Longmire follows a twisting trail of evidence, leading to dark and shocking conclusions.

Cascade Singers

Holiday Concert

December 7 and 8, 2019

"Cascade Singers presents a Parker-Shaw Christmas" is the title for the Cascade Singers' December 7 and 8 holiday concert. Performances take place at Zion Lutheran Church, 10th and Union Streets, The Dalles. **Saturday's concert begins at 7 p.m. and the Sunday concert starts at 3 p.m.** The late Robert Shaw was one of the preeminent choral directors of the second half of the 20th century. Alice Parker was Shaw's student who began her own career arranging music for the Robert Shaw Chorale. She later led her own choirs and continues to compose and arrange music at age 94. The Parker-Shaw collaboration produced a rich body of choral music, often based on folk tunes, hymns, and in the December event, Christmas carols. The concert will also include J.S. Bach chorales and a piece for organ and choir from the romantic era. Admission is by donation at the door.

Community Council Corner

By Angie Jenkins

At this month's Council meeting open elections were held regarding council seats. Seats for Don McDermott, Bill Clark, Dave McNeal, Sally Swing, Anthony Rizzi, and WJ "Bill" Morris remained the same. Councilmen WJ "Bill" Morris resigned his position effective immediately. My position as secretary was voted on. We also would like to welcome Ann Sleed and Sue Fleming as the newest members appointed to the Council!

The main discussion during this meeting was in regards to an open invitation made to the public regarding all terrain vehicle usage within the city limits of Dallesport. While using atv's on public roads the vehicle itself must be fully insured, have separate license plates, be inspected and licensed. Plus the ATV's must have a lot of the same safety items as a car or truck- such as seat belts, mirrors, etc. The driver will need to must follow the same protocol and be licensed. Public support for this was strong. Rules and law of the road must be obeyed.

After much discussion regarding this issue. The Council made a motion to also support atv usage within the city limits. Anthony Rizzi made the motion and David McNeal seconded the motion. A vote was made and it passed unanimously. Other local issues were discussed such as changes with the water district and general housekeeping issues.

The next Council meeting will be Tuesday December 12 7pm at the Dallesport Community Center. Be sure to come attend- we would be happy to see more people in attendance! Happy Thanksgiving!

The next meeting of the Dallesport-Murdock Community Council is Thursday **December 12, 2019 at 7pm** at the Dallesport Community Center on 6th Avenue. Meetings are held the second Thursday each month at 7pm.

Be sure to come attend- we would be happy to see more people in attendance!

Election Results

Congratulations to Dallesport Water Commissioners Pos. #3 WJ Bill Morris and Pos. #2 William (Bill) Clark.

Thank You from David D. McNeal

Dallesport Neighbors and friends; thank you for voting in this year's elections, and for your support in my run for the Dallesport Water Commissioner Position #2. I certainly enjoyed meeting and talking with many of you about what is important to our life in Dallesport. I will continue to serve on the Dallesport Murdock Community Council and look forward to that involvement. I congratulate my friend Bill Clark on his victory in the election. And, I am confident he will be an outstanding commissioner.

New License Plate Supports Law Enforcement

Washington citizens who support law enforcement and officer health and wellness can now show that support on their Washington license plate. Washington State Fraternal Order of Police's Executive Director, Lynnette Buffington, remarked, "The Washington State FOP (WAFOP) is honored to announce this campaign and being able to use these funds to finance meaningful programs to support officer health and wellness".

Proceeds from this specialty Law Enforcement Support plate will go directly to support law enforcement health and wellness with a special focus on mental health. Washington currently has the Law Enforcement Memorial (LEM) plate that provides support for officers and their survivors lost in the line of duty as well as maintain the Law Enforcement Memorial in Olympia, Washington. The new plate would focus on the much-needed mental health and

wellness support for current and future law enforcement.

At the time of publication, it is reported that there are 197 law enforcement confirmed deaths by suicide in 2019, marking a 17% increase from 2018 statistics. Suicide is currently the leading cause of death for law enforcement, with line of duty deaths holding the second spot with 105 deaths in 2019 to date.

The state legislature requires the sponsoring organization to gather 3,500 signatures of support from Washington citizens eligible to purchase a plate. Individuals that sign the petition are not obligated to purchase the plate but could be contacted when the plate becomes available.

Supporters of law enforcement are asked to sign the online petition at <http://bit.ly/LEOLicensePlate>. Those wishing to help grow the influence of this campaign can also scan and share the included QR code. This code can be scanned by any smart phone and it will direct the user to the signature page.

Proposal to Allow ATV / UTV Use on Dallesport Streets

November 14, 2019, the Dallesport-Murdock Community Council heard discussion and unanimously voted to allow use of ATV / UTV vehicles on Dallesport streets where the current speed limit is 35 mph or less. This change is in compliance with Chapter 46.09 RCW of Washington State for Off Road, Nonhighway, and Wheeled All-Terrain Vehicles.

Requirements for use will be a valid WA State License plate, current drivers license, insurance, and all required safety equipment for the type of vehicle.

This proposal must be presented to, and approved by, the Klickitat County Board of Commissioners, as has already been done for Goldendale, Bingen, and Glenwood. Questions and comments can be emailed to Mark Peppel at

markpeppel@gmail.com

Christmas
and Happy
New Year!*

Can You Help Spread the Joy?

We'd love to have your help! Starting after Thanksgiving, go by Mugs Coffee, 221 West Steuben Street in Bingen and select a tag from their Christmas tree. Be sure to look for tags with an "L" on them – that means you're shopping for a Lyle family. That tag will have information regarding the family that will help you pick out great gifts.

Once you've purchased the gifts, just wrap and return them with the original tag to Mugs by the **December 16 deadline**, which will allow time for delivery of the gifts to our families before Winter Break begins.

To contribute to the Lyle Lions' food drive: Donations of money or nonperishable food may be made at the Lyle Lions Club Community Center's pancake breakfast, Saturday, **December 7th from 7 – 11 a.m., or every Tuesday, 8 a.m.- 2 p.m.** We hear that peanut butter is especially needed this year.

No Time to Shop?

Difficult to Get to Bingen?

Here's another way you can help. Some of our older students in particular have very specific needs. With a little financial help, they can pay for items that will help them get a job or otherwise get ahead in life. All cash gifts are carefully considered by Lyle School's staff and go for very worthy uses!

If you can donate cash to this assistance fund, contact Lyle Community Schools at 509-365-2191 or 509-365-2211, extension 118, or 509-365-2191 (the Lyle School Business Office). Best of all, InvestED, another community partner, will match every donation made to this fund this year.

Finally, if you want to donate gift cards for students (think espresso stands, fast food, hair cuts, etc), we can use them in our efforts to provide incentives to students for good behavior and strong academics. Again, please drop them by the Lyle School with a note that they are for the incentive program.

While the food in a box varies, generally there is enough for three to twelve nutritionally balanced meals depending on the size of the family.

A special Senior Box is also available. Call or find Janeal at the Bingen Food Bank to see if you qualify.

What to Donate...

When it comes to food donations, it's important to give healthy, high quality non-perishables, rather than cheap processed foods that don't meet the nutritional needs of most families. Here's a list of some of the best foods you can give during your local holiday food drive.

- Canned fish and lean meats. ...
- Peanut butter / other nut butters. ...
- Healthy soups and stews. ...
- Whole grain breakfast cereals. ...
- Canned or dried beans. ...
- Pasta sauce and canned tomatoes. ...
- Shelf-stable milk
