Wellness Days Provide Low-Cost Screening

The entire month of May is Wellness Days at Klickitat Valley Health (KVH), and the hospital is offering a variety of low cost medical screenings to the public. From May 1 to May 31, KVH will provide discounted lab tests and diagnostic imaging to all ages. Insurance is not required and there is no need for a doctor's order.

There is no appointment required for the lab screenings. The screenings offered are a Wellness Screen, HbgA1c blood test, Vitamin D test, prostate cancer test for men, and a thyroid screen. The screenings are offered from 7 a.m. to 9 a.m. seven days a week. Registration is at the main check-in desk at the hospital.

An appointment is required for the diagnostic imaging screenings which include a vascular ultrasound and a Body Mass Index screening. For information on diagnostic imaging, or to make an appointment call 773-1020 or 773-4022 between 8 a.m. and 5 p.m. Monday through Friday.

Below is a general description of each test and their cost:

Wellness Screen- \$40: Tests your general health status including liver and kidney function, cholesterol and blood sugar levels.

HbgA1c - \$15: Tests your blood sugar levels over a 3 month period. An important screen for diabetic conditions.

Vitamin D - \$20: Important for bone, gland, and heart health. Deficiency can result from age, weight, and modifications of lifestyle.

PSA prostate screen for men - \$15: Screens for prostate cancer in men.

Thyroid Screen (TSH/FT4) - \$20: Screens for thyroid problems.

Diagnostic Imaging services include:

Vascular Ultrasound - \$50: A three part ultrasound exam. Detects potential life-threatening diseases of the veins and arteries that can result in heart attack, stroke, or aneurysms that cause internal bleeding.

Body Mass Index (BMI) - \$20: A full body scan that calculates the percentage of body fat to lean muscle. Provides a colorized printout for athletes and weight training individuals.

Marketing Communications Coordinator for KVH James Semlor says that KVH has offered this service before and is part of the overall goal to bring health awareness to Klickitat County.

“Our goal at KVH is to make Klickitat County the healthiest county in Washington,” Semlor says. “One way for us to achieve that goal is to extend important services at a discounted price to help our patient community.”

Currently, Klickitat County is ranked 20 out of 39 Washington State Counties for overall health outcomes according to the County Ranking and Roadmaps website. It reported a better ranking for people engaging in healthy lifestyles at 15 in the state and has a good physical environment (water quality and low pollution), ranking 14th.

Book Report

By Judy Bane

"Empire Made: My Search for an Outlaw Uncle Who Vanished in British India"

by Kief Hillsbery

Hillsbery explores the 19th-century disappearance of his distant relative, a man named Nigel Halleck. Born in England, Halleck moved to British Colonial India in 1841 at the age of 20 to work for the powerful East India Company, but left his post and disappeared into the remote reaches of Nepal. The story shifts back and forth between Hillsbery's modern travels and the complex historical narrative detailing the social and political shifts in colonial life during Halleck's era. The weight of the background historical information does require patience and attention on the part of the reader, but it is well worth it. When initial hints surrounding the possibility of Nigel's homosexuality build into something more substantive, the author starts to connect to his distant relative on a more personal level.

I don't read a lot of non fiction but this one caught my attention and held it throughout the book. It's been said that some travelers can't write and some writers can't travel but Kief Hillsbery can do both. A very enjoyable, engaging read.

Columbia Gorge Genealogical Society Day Trip to Yakima

May 12th, 2018 to the Washington State Genealogical Society and Yakima Valley Genealogical Library in Union Gap, Washington. Here are some highlights of what they have to offer.

The Yakima Valley Genealogical Society operates a library open to the public at no charge for genealogical research. The 7,200 sq ft library, considered one of the top genealogical research facilities in the Pacific Northwest, is located at **1901 S 12th Ave, Union Gap, Washington**. Besides the main floor of the library there are three archive rooms, a media room for microfilm/fiche research, a work room and a kitchen. Between the bound volumes on the shelf and the massive microfilm/microfiche

collection, the library hosts an equivalent collection of 35,000 volumes of genealogical research material covering the all of the states in the United States and a large number of foreign countries. This collection also covers a large amount of published family histories. Approximately 900 digital books on county histories and county biographies with a focus on the Midwest: Indiana, Ohio, Michigan, Iowa, Minnesota, Wisconsin, Illinois, Missouri, Tennessee, Kentucky, Colorado, Kansas, Texas, Georgia & Virginia, plus Parish Registers of England from the Parish Register and many genealogical collections in digital format.

The library has eight computers for patrons to use to do genealogical research. The library also has wifi so patrons can use their laptops. The library subscribes to the full international version of Ancestry and to the New England Genealogical and Historical Society. These subscriptions are available for patrons to use at the library. The library also has 150 years worth of the NEGHS magazines on CD for use of the patrons along with numerous genealogical instructional CD's. The society library is the designated official library for the Washington State Genealogical Society. It is also the designated library and repository for the records of the Washington State Chapter of the Daughters of the American Revolution. <https://yvgs.net/cpage.php?pt=6>

Travel is on your own, car pooling is great, meet at the library at 11:00am. We will have a library tour by Opal Myhers our regional representative for Washington Genealogical Society, research time and there are many restaurants nearby for lunch. Please email or call by the 1st of May if you plan to attend so I can inform Opal of how many are attending.

Community Council Corner

By P.J. Sisseck

Community Council Report for April 12, 2018

Our first speaker was Jim Smith, Operations Manager for Klickitat Public Utility District. He reported on water resources and wastewater management. The Bond for the wastewater treatment plant is within a few years of being paid off. Plans are in the works to also include discharges from the Murdock area, as the facility is now running at about 50% of capacity, and 75% would be more efficient.

Ron Schultz, Chief Engineer of KPUD, presented outage statistics. Considering the number of customers and service hours available, our power was on 99.973 % of the time during 2017. This takes into account five outages for a total of 23 hours during the heavy weather of January 2017, 31 hours for a failed fuse in July 2017, and a November windstorm that resulted in 1,560 hours of down-time at various places throughout the system.

KPUD is moving ahead on a "Pond Storage" project. This is a means of having 11,000 acre/feet of water available for power generation during times of low flow on the Columbia River. It is being built on the former aluminum plant site east of the Stonehenge Memorial, along Highway 14.

Yakima Nation Housing Authority has purchased the north half of the property being considered for a housing project. A "Pre-Submission Request" form was filed with Klickitat County in early April, with a proposal for a 42 lot single-family subdivision. Plans include access from 3rd Avenue on the north and Sunridge Avenue from the west. An emergency access is envisioned, via Sunridge on the east to Dallesport Road.

Please join us for the next Council meeting on **May 10th. 7pm** at the Dallesport Community Center.

Pancake Breakfast & "White Cane Awareness Day"

Saturday, May 5th

There will be a special donation jar available to collect donations for "White Cane Awareness Day". The funds collected will be help support various sight programs sponsored by the Pacific North West Lions Foundation. It will provide free health screenings for adults and children to check for glaucoma, vision loss, high blood pressure and diabetes, which can lead to blindness or other vision problems. Special grants are also provided for patients who are unable to pay for sight treatment such as cataract surgery, prosthetic eyes, special magnifying equipment, computer software for Braille instruction for the blind and visually challenged, and much more. Show your support by making a donation and also enjoy a delicious breakfast, too!

National Do Not Call List

If you have begun to receive calls from telemarketers and would like to be put on the "No Call List" there are 2 options.

1. Call 1-888-382-1222. You must be calling from the number you wish to register. You will get an automated recording that is very simple to use; just a few choices are asked and the process is complete. The request will be good for five years.

2. If you would like to do it online go to www.donotcall.gov.

Klickitat County Sheriff's Posse

The Klickitat County Sheriff's Posse is made up of citizen volunteers working in a partnership with the Klickitat County Sheriff's Office to reduce crime throughout Klickitat County. This is accomplished by establishing and maintaining a safe living environment for the citizens, which includes the right of all persons within Klickitat County to be free from criminal attack, to be secure in their possessions and to live, travel, and exist in peace.

Services provided by Posse members include, but are not limited to:

Crime prevention patrols

Air wing support and training

Drug enforcement - by assisting the Sheriff's Office in shutting down illegal drug houses

Animal control enforcement

Mounted search and rescue

Mounted and unmounted security for various functions

Security patrols

Crime scene protection

Evidence searches

Participation in local parades

Participation in rodeo events

Supervise inmate work crews

Other mounted or unmounted activities/duties as directed by the Klickitat County Sheriff

If you are interested in joining the Klickitat County Sheriff's Posse, please fill out and bring in a [Posse application](#).

For more information about posse duties and activities, call Chief Civil Clerk Traci Gunnyon at 509-773-2380 or e-mail tracig@klickitatcounty.org.

We have at least two Posse members here in Dallesport that are always ready to help. They are:

Anthony Rizzi 541-980-4515 and
Shane Cagle 360-701-5466.

Mobile Farmers Market

By Lyle News, Mildred Lykens

Gorge Grown summer Mobile Farmers Market : The Lyle stop will be: Fridays 4 to 6 p.m. at French's Farm, 620 State St., starting **May 18th**. and running through October and possibly beyond. Matt has requested that no other vendors join them for this location for the 2018 season, however if anyone local is interested in either selling produce or products directly to the Mobile Farmers Market or purchasing wholesale local produce, give them a call: (808) 419-1016.

Triage Vol II, Issue III

April 23, 2018

WOW... 24 new EMTs in our county. This is HUGE.. the time commitment the instructors; Paramedic Maria Simms and Fire Chief Wes Long put in was truly a labor of love and their commitment to the welfare of the citizens of Klickitat County. And the students who put in over 200 hour of class room, study and practice time .. Truly a community commitment. This class and actually all of us own a huge shout out to the South West Region Trauma Care Council for their generous grant dollars to make this class affordable. And I would be remiss in not saying thank you to Klickitat Community Health Hospital, Skyline Hospital, Stamina EMS, Mid-Columbia Fire & Rescue and our own staff for allowing these students the opportunity to learn pre-hospital skills first hand and their encouragement thought out this four month process. KCEMS was also the recipient of a Department of Ecology grant for

communications equipment for emergency preparedness. This could not come at a better time as we recently had two of our portable radios fail and are out of service.

Your board met and discussed the future finances of the district and looked at what it will take to not only keep us competitive in the market place but allow us to get back on a more solid fiscal footing. We recently had to restructure some outstanding debt to purchase our remounted ambulances. This basically amounts to the district funding its operation on loans (credit) as we do not have the resources to cover all the equipment needs we have. The truth is we are just able to manage with the limited resources we have. We are always on pins and needles if some catastrophic event should occur. We also have a need from you. We need a number of community members 10-12 to be part of a one day planning process. This small group will help guide us with regards to our levy and how we should approach this. If you are interested in sharing your input

please contact me. It should not go longer than 4 hours and will most likely be on a weekend.

Finally we are soliciting for a replacement Board Member. This person needs to reside in the eastern part of the county. If you are interested in serving your EMS District as a board member please contact me for more information.

Thank you for your support--

Dave

Dave Lapof, Operations Manager for Klickitat County EMS District No.1, and has been involved in emergency services since 1988, starting his career as a volunteer on Lummi Island in Whatcom County, and served 20 years as a volunteer firefighter in both Washington and Oregon, before becoming a chief officer for the past seven years

He can be contacted at dlapof@kcems1.com or 541-272-1958 and encourages everyone to visit the Districts Facebook page at <https://www.facebook.com/KCEMSD1/>

Klickitat County Granges Marking Heritage

More than 70 grangers and friends from across the county crowded into Goldendale Grange Hall Sunday, March 4, 2018 for a celebration of Grange Heritage in Klickitat County.

All seven, currently active granges were present; Centerville #81, Columbia(Lyle) #87, Glenwood #94, Mountain View (White Salmon #98), Alder Creek #890, Trout Lake #210 and Goldendale #49.

Although no longer active, Pleasant Valley #146, Woodbine #243, Dot #252, White Creek #1075 and Spring Creek Grange #162, were represented in the historical activities.

Grange history dates back to the early 1890s when 34 grange halls were located in Klickitat County. As roads and transportation improved these small local units consolidated into the Granges we have today.

Representatives from each participating local grange provided a written history along with pictures and other artifacts depicting their long history. Klickitat County enjoys the distinction of having many of the oldest and lowest Grange Hall numbers in the state.

It is interesting to note that four State Grange Conventions were held in Klickitat County — Goldendale 1891, White Salmon 1893, Lyle 1897 and Centerville in 1904. A note found in

Columbia Grange Minutes states, "The 1894 Washington State Grange Session, was to be held in Vancouver. Columbia Grange voted on and passed a motion to notify all granges in Klickitat County that their teams of horses and wagons could be left at James Lyle's or John Olson's so that Grange members could take the riverboat to the Vancouver Convention." Roads on the north side of the Columbia between Lyle and Vancouver had not yet been completed. Klickitat County has been honored by several state officers through the years: William Olson, from Lyle, was one of the first. He was State Lecturer from 1897 to 1899. Records indicate he was the oldest surviving charter member of the State Grange in 1963 when he passed away. He had attended every session for 50 years until 1962 when failing health caused his absence. Locally he donated the land, the lumber and helped build the Columbia Grange Hall in 1889.

Ray Hill, a Goldendale native, was our last State officer, he was elected State Overseer in 1972 and became State Master in 1983. He came from a family with deep roots in the grange. In 1956, Chester Hill installed his son Ray as Master of Goldendale Grange, his granddaughter Lynn Hill as Junior

Master; granddaughters Susan and Sandra and grandson Kenneth as officers of the Junior Grange and daughter-in-law Helen Hill as Lady Assistant Steward of the Goldendale Grange. This occurred in the same ceremony with Chester Hill's youngest son, Harold, Master of East Klickitat Pomona, acting as Installing Marshall.

In typical grange fashion, the day's festivities started with a generous potluck style meal. A grange member passing through the buffet line remarked, "this is what Grange is all about, lots of good food and good company."

Celebrations are not complete without a cake. Cake decorator, Lanae Johnson, provided that special cake again this year. It was a chocolate raspberry cake decorated to depict the seven-sided grange symbol that even included the sheaf of wheat.

Grange members listened intently while JT Cahill recited the FFA Creed and FFA members Austin McKune, Grace Hanning, Delaney Kindler, Leslie Smith, Tiana Watson performed the opening FFA ceremony. Good luck is offered these students in their future completion.

The remainder of the day was spent munching on desserts and telling grange stories.

KLASAC Training Coming

By Lyle News, Mildred Lykens

Rita Pinchot, KLASAC coordinator would like to invite you all to attend an upcoming training being sponsored in part by the Klickitat and Lyle Against Substance Abuse Coalition. "Please join us on **May 11 from 9 a.m. to 4:30 p.m.** for a day of action and learning with National CADCA trainer, Dave Shavel. This is a rare opportunity to hear from a national expert about how we can make prevention work in our rural communities and learn effective strategies for outreach and making real change. CADCA provides training and technical assistance to over 5,000 coalitions nationally and around the world. They are experts when it comes to coalition work and prevention strategies that create effective change, and we are excited for the opportunity to bring them to our community! To learn more about CADCA, go to: <http://www.cadca.org>. If you would like to attend this training, RSVP by Wednesday, April 25 to me at ourklickitat@gmail.com. I encourage as many of you as possible to take advantage of this opportunity!" Call: (360) 952-3569.

NYC Comes to the Granada!

May 5, 2018 6:00 PM - 8:00 PM

<http://www.granadatheatrethedalles.com>

If Music be the Food of Love, Play On!

A concert of excellent music spanning from Mozart to Cole Porter, featuring dramatic mezzo, Anna Viemeister, and the BEST musicians the Gorge has to offer. We're bringing a flavor of NYC to TD!! This concert is a mix of Classical, Jazz and Latin influenced music, with a little bit of musical theater.

One of Anna's many passions is bringing people together to create artistic opportunities for performers and music lovers alike. Along with her work with 501c3 Vocal Productions, she is ecstatic to be able to bring her art and passion to her home town of The Dalles and, in true musical form, will be collaborating with immensely talented local musicians of the Gorge. With something for everyone and very kid-friendly, this will be a fun evening for the whole family and a truly wonderful musical journey! \$25.00 per Ticket
