## Book Report

By Judy Bane  
"Less: Winner of the  
Pulitzer Prize"

by Andrew Sean Greer

Winner of the Pulitzer Prize for Fiction 2018.

Who says you can't run away from your problems?

Arthur Less is a failed novelist about to turn 50. A wedding invitation arrives in the post: it is from an ex-boyfriend of nine years who is engaged to someone else. Arthur can't say yes - it would be too awkward; he can't say no - it would look like defeat. So, he begins to accept the invitations on his desk to half-baked literary events around the world.

From France to India, Germany to Japan, Arthur almost falls in love, almost falls to his death, and puts miles between him and the plight he refuses to face. Less is a novel about mishaps, misunderstandings and the depths of the human heart.

This book was a gentle delight, with ethereal humor and a surprisingly engaging main character. Arthur is convinced he is less but in the end, he discovers how much more he really is.

I loved this book and I hope you will try it out and enjoy it as much as I did.

## Maryhill Museum Of Art – Opening Reception: 2019 Pacific Northwest Plein Air In The Columbia River Gorge August 3, 2019

<http://www.maryhillmuseum.org>

Drawing on a long tradition of painting in the open air, Pacific Northwest Plein Air in the Columbia River Gorge attracts some of the finest painters from the Pacific Northwest and from across the country to capture the stunning light and inspiring vistas of the Columbia River Gorge. After four days of painting, works are displayed at Maryhill with jurors awarding prizes to the most exceptional works. Join us to view the "fresh" paintings artists created in plein air, meet the artists, and enjoy wine and hors d'oeuvres. Artwork will be available for purchase, with a percentage of the sales benefiting Maryhill. Paintings will remain on view and available for purchase August 4 through August 24, 2019.

## Community Council Corner

By Angie Jenkins

The Dallesport-Murdock Community Council met on July 11, 2019 at the Dallesport Community Center.

Sharon Carter from Klickitat County Senior Services spoke and relayed information regarding the many different services that are available to County residents. These services include community meals at different locations, help during Medicare open enrollment, a monthly newsletter, plus a more public transportation service. Medical transportation is available when needed but defined routes have been established in the area.

<http://www.klickitatcounty.org/336/Senior-Services>

The Council discussed the newly opened Klickitat Firearm Training Center. The firing range facility is open to the public but has limited hours and days of operation.

<https://www.klickitatcounty.org/1151/Firearms-Training-Facility>

Ice cream sales at the Fly In was a huge success! Another ice cream fundraiser will be held at the Show in the Shade being held August 10<sup>th</sup>. and 11<sup>th</sup>. at Sorois Park. Stop by and get an ice cream cone and support the Dallesport Community.

The Dalles Bridge deck replacement is planned to start in 2021 and last about 1 year was discussed at the meeting. ODOT is still considering closure schedules, but has ruled out full closure through the construction period.

The newly-formed Dallesport Community Garden Committee met and discussed possible sites, water concerns, the future of the Garden, and the potential of establishing a farmer's market in the future. Contact Mr. Bill Adams [wva063@gmail.com](mailto:wva063@gmail.com) if you're interested in helping out.

The next meeting of the Dallesport-Murdock Community Council is Thursday August 8<sup>th</sup>. at 7:00 PM, at the Community Center on 6th Avenue.

## VOTE

### Dallesport Water Commissioner Pos. #2

Craig Stephens has resigned his seat on the Dallesport Water District Commission as of June 30, 2019. There are now just two people running for that position.

**William Clark and David McNeal.  
Ballots are due by August 8<sup>th</sup>.**

## Community Garden

Hello Dallesport Residents, My name is Bill Adams and I have been tasked by the Dallesport Community Counsel with starting the Dallesport Community Garden Project. So far the first two meetings have had 2 then 1 persons show up to see what is happening.

If there isn't a group of at least 20-30 people the County Commissioners and the Public Works folks won't provide the space to make a garden.

We could use the Dallesport Park area (5.5ac) for the garden or possibly the area North of the Fire Station down to the V at Dallesport Rd. and Central Ave. We might be able to get the DWD Commissioners to let us put fruit trees on the Skeleton Weed infested areas also.

This could be our opportunity to turn our community into a GREEN Patch in the Brown Desert at the End of the Gorge.

Other things that could be done is to supply the Elderly with fresh produce in season as well as the local children. This would be a place to teach the kids what Fresh Vine/Tree Ripened food tastes like. They would learn to be self sufficient knowing how to plant and grow food. There would be opportunities to learn to grow, prune, and graft fruit trees and grapes. There would be opportunities to learn about Bee Keeping through hands on experience. And many other activities for the kids.

The surplus could be sold at a Farmers Market to help provide funds for necessities for the Garden. The produce that is left over could be donated to the Bingen Food Bank. This is to reduce waste to a bare minimum.

The next meeting is on Sat the 3<sup>rd</sup>. of August at the Community Center at 6:00pm. This has been announced on Dallesport Neighbors Facebook Page also.

Sincerely, Bill Adams

## Dallesport School Building & Property

Since February, 2018, Sagetech, Inc., a manufacturing firm, has rented the Dallesport school building from Lyle School District. Sagetech exercised its option to purchase the building in

February, 2019, triggering follow-up action on the part of the school district, including seeking an independent appraisal of the property.

On June 24, 2019, the district was notified that Sagetech has been placed in receivership. The Board of Directors was not expecting this turn of events and continues to consider its options. State law regarding school district property and the state's bankruptcy laws all come in to play.

As we sort through the legal issues, Sagetech has continued to operate from the building and pay rent to the district. We are aware the grounds around the building have not been kept up to the community and the school district's satisfaction. At this time, Superintendent Varkados has redirected our groundskeeper to put a greater emphasis on the Dallesport property.

We appreciate the community's input on this situation. Please feel free to reach out directly to the school at 509-365-2191 if you have other concerns or questions.

## National Night Out

**August 6<sup>th</sup> from 6 to 8 PM**

By Mildred E. Lykens

Set the date in your tablet, phone or calendar that KLASAC (Klickitat Lyle Against Substance Abuse Coalition) is very excited to be working alongside our local Law Enforcement this year to bring you this year's National Night Out on August 6<sup>th</sup> from 6 to 8 PM. This fun night in Lyle is an annual event that is celebrated around the United States that promotes Law Enforcement & Community partnerships in order to build relationships that create safer communities. There will be free food, fun games, music and maybe even a challenge for our law enforcement to sing? They are encouraging other organizations and private residents to participate in some way for this event: Maybe you can play music, plan and play games, donate food or be there as a volunteer. Please let them know how you can help. The next meeting will be August 21<sup>st</sup> from 5 to 6:30 PM at Lyle School.

## **KCSO Bringing Back K-9 Unit; Safety Cited**

The Klickitat County Sheriff's Office (KCSO) is creating a K-9 Unit to assist with patrol, narcotic detection, and search and rescue (SAR), Sheriff Bob Songer recently announced.

"We are asking the citizens of Klickitat County to be our partner in creating the K-9 Unit for the Sheriff's Office through monetary donations," Songer said in a press release dated June 25.

According to Songer, in April of this year, KCSO staff and volunteers from the KCSO Posse began gathering information to bring a K-9 Unit to Klickitat County's unincorporated area.

"The K-9 team has identified a vendor for acquiring and training the K-9, and also received donations for services and gear once the K-9 Unit is in place, both locally and nationally. Our goal this summer is to raise \$55,000 of the first-year cost," Songer said.

The cost of the K-9 program is \$134,000 which includes the dep-uty-handler, the canine, equipment and supplies. A portion of these expenses are currently covered by the Sheriff's Office's 2019 budget. This includes a current deputy, the vehicle, and maintenance.

"However we are reaching out to local, regional and national partners for funding assistance to cover the difference," Songer stated.

He went on, "The ways our community can benefit from his K-9 Team will be locating lost persons in a Search and Rescue scenario in a fraction of the time it takes an entire team of human searchers to accomplish the task. The K-9 Team will serve as back-up to deputies and officers in tracking criminals, increasing the safety of their partner during high risk traffic stops, and assisting in securing unsecured buildings. A K-9 deputy can be an invaluable resource to both the community and the agency that supports them."

Moreover, Songer said, the safety of the citizens of and visitors to Klickitat County "is the first priority for the Klickitat County Sheriff's Office, and the addition of a K-9 Unit will add a valuable tool to allow us to achieve this goal quickly and efficiently."

## **Mt. Adams Institute receives grant to expand AmeriCorps programs**

Karalee Chabotte, Retail Manager for First Interstate Bank in Bingen, presented a "check" for \$5,000 to the Mt. Adams Institute in Trout Lake recently. First Interstate's donation will go toward a project to update the institute's facility in

Trout Lake. The center hosts educational programs and serves as a training center for veterans. Pictured (l-r): Marijke Weaver, Erica Bingham, Laura Linn, Brendan Norman, Executive Director of the Mt. Adams Institute, Mike Gundlach, Dana Rivkin, Cory Kirkpatrick, Karalee Chabotte, and Aaron Stanton.

Mt. Adams Institute Receives AmeriCorps Grant to Expand Programs

Mt. Adams Institute will receive \$1,119,904 in AmeriCorps funding annually for the next three years from the Corporation for National and Community Service (CNCS), the federal agency responsible for AmeriCorps and other national service programs.

This funding will support up to 95 AmeriCorps members across the country participating in Mt. Adams Institute's career development programs: VetsWork and Public Lands Stewards. These programs are designed to improve access, use, and conservation of our natural resources, while launching military veterans and young adults into careers within the public lands management field.

"AmeriCorps is an incredible federal program that engages over 75,000 people, annually, in service to their community and country," said Brendan Norman, executive director of Mt. Adams Institute. "In the case of our programs, that means engaging veterans and young adults in service to our public lands and natural resources. We're thrilled that the Corporation for National and Community Service has recognized the positive impact that our organization is making across the nation."

AmeriCorps members serve on conservation projects such as trail maintenance; visitor engagement, wildlife research, environmental education, geographic information mapping, invasive species monitoring, and community volunteer coordination.

In addition to grant funding, CNCS will provide over \$300,000 in education awards for the members to help pay for future college tuition, vocational training, or repay student loans.

Mt. Adams Institute matches the grant funding with additional support from project partners, including but not limited to the U.S. Forest Service, U.S. Fish and Wildlife Service, National Oceanic and Atmospheric Administration (NOAA), Columbia River Gorge National Fish Hatchery Complex, Oregon State Parks, and the Willamette Resources and Education Network.

Locally, VetsWork and Public Lands Stewards AmeriCorps members have provided over 40,000 hours of service at local Gorge sites over the past five years including the Gifford Pinchot and Mt. Hood National Forests, Conboy Lake

National Wildlife Refuge, Columbia River Gorge National Fish Hatchery Complex, and the Columbia River Gorge National Scenic Area.

## **State Motorcycle Insurance Law Goes Into Effect**

Effective July 28, 2019, the 2019 Washington State Legislature passed a law that all motorcycle drivers must carry liability coverage and proof they have insurance.

They are no longer exempt from the state's mandatory auto insurance law ([leg.wa.gov](http://leg.wa.gov)).

Washington state's mandatory liability insurance law, which is under the authority of the Washington State Department of Licensing, requires anyone who drives a motor vehicle or a motorcycle (effective July 28, 2019) in the state to do one of the following options:

Carry liability insurance with liability limits of at least:

\$25,000 for injuries or death to another person

\$50,000 for injuries or death to all other people

\$10,000 for damage to another person's property

Apply for a certificate of deposit to pay for your liability insurance with the Department of Licensing ([www.dol.wa.gov](http://www.dol.wa.gov)).

Have a liability bond of at least \$60,000 filed by a surety bond company that's authorized to do business in Washington.

Self-insure if you have 26 or more vehicles. For more information or to see if you qualify for this option, contact the Department of Licensing.

Showing proof of insurance

An insurance company sends you a proof-of-insurance card when you start or renew your auto or motorcycle policy. The card shows that either you or your vehicle/motorcycle are covered by liability insurance. Remember, if you're stopped by a law enforcement officer, you must show proof that you have auto/motorcycle insurance. If you don't have proof, he or she will give you a ticket (traffic violation).

Exceptions to the law

This law does not apply to the following vehicles:

Motor scooters and mopeds

Specially licensed horseless carriage vehicles ([leg.wa.gov](http://leg.wa.gov)) (also known as antique or collector vehicles

Police or government-owned vehicles ([leg.wa.gov](http://leg.wa.gov))

Even though insurance is not mandatory for these vehicles listed, you may still be held responsible for any damages or injuries that result from your negligent use of these vehicles.

## Griffin House Concert Series Benefits Lyle Schools

Griffin House, a wedding and concert venue in Hood River, has announced that its summer concert series will benefit Lyle School District. Each year, the Griffins select a nonprofit to donate the profits from the summer concert series. Partner Marlowe Griffin Lyddon also teaches art in Lyle Schools.

In August, singer/songwriter Katie Perlman, also known as Mother Pearl, will make her third appearance at the Griffin House. For a taste of Katie's vocal chops, check her out at

<https://www.youtube.com/watch?v=KJSni-2JpmE>.

Set on the western end of Hood River with views of the sunset over the Columbia River, the Griffin House is a concert venue worthy of showing up on many a social media feed. Food and refreshments are available for purchase onsite and the event is family-friendly. Some seating is available, but concert goers are encouraged to bring their own favorite portable outdoor seating if they like.

Parking is available in the east lot adjacent to The Griffin House. Take the

last I-84 westbound Hood River exit, head north and look for signs on Westcliff Drive.

Doors open at 5:30 p.m. Remember, proceeds benefit the Lyle School District.

**More information and tickets are available** at

<http://www.thegriffinhouse.com/concerts> or email [info@thegriffinhouse.com](mailto:info@thegriffinhouse.com).

## Registration

Registration is coming up Monday - Thursday, **Aug 12-15**, here at the high school. If your child is in grades K-12 and is NEW to the district, please come by between the hours of 9 a.m. and 3 p.m. If you have a conflict with work or another issue that makes it hard to get here during those hours/days, give us a call at 509-365-2211.

Bring a birth certificate and immunization records and, if your child in high school, a copy of his or her transcripts if you can get them. If you don't have the requested documents, come anyway and we'll work together with you to request them.

Again, kids who attended school here last year do not need to register, but we do encourage returning students in grades 6-

12 to stop by, say "hi" and pick up their class schedules. (We've missed you guys!)

The school year calendar can be downloaded and printed from our website, too - go to <https://www.lyleschools.org/Page/2773>.

## Sports Screening

Do you have a youngster planning on playing sports this year? We want them to have fun and develop all the great traits team sports brings out, AND we want them to stay safe and healthy. That's why we ask that they have a sports screening at least once every two years. There's a free screening coming up at Northshore Medical in Bingen on **Thursday August 1<sup>st</sup>. 6-8pm**. For information, please call 509-493-5119.

## Solar Viewing

**August 17 11:00 am - 4:00 pm**

Bob Yoesle, longtime amateur astronomer, will present solar viewing opportunities at the Columbia Gorge Discovery Center, weather and clouds permitting. Bob will explain what people are looking at, and the fascinating science which underlay the features of the Sun. **The events are free and will be held outside the museum. Admission still applies for visitors who wish to see the exhibits inside the museum.** If the weather looks questionable, please call the front desk 541.296.8600 ext. 201, by 10 am to see if the event will be taking place. 5000 Discovery Drive The Dalles, Oregon.
