Serving the Peninsula Communities of Dallesport and Murdock

June 2020

## **Emergency Food Drives Continue**

The Lyle Food Drive had another successful delivery date on May 14 with over 65 boxes provided to our neighbors in need. Community members and friends far and wide have continued to make this Food Drive better and better each time with thoughtful donations of food, money, time, and ideas. We have two more food deliveries scheduled. One in May, one in June. What happens after that?

**We are proud and excited to share the news that WAGAP (Washington Gorge Action Program) has offered to open a food pantry in Lyle.** They have seen our efforts to address the needs in the community during this crisis and want to help build something sustainable and lasting. Starting in July 2020, community members will have the convenience of obtaining free monthly food boxes right here in Lyle. This pantry will be managed by local volunteers. It is our hope and dream that this can evolve into something much more than a nutrition program and could eventually include health and other wellness support right here in our own neighborhood.

WAGAP (Washington Gorge Action Programs) is seeking donations of money, food and essential items that are in demand right now. They cannot take volunteers at this time to adhere to social distancing guidelines. Donations to the Community Relief Fund can be made through PayPal at [www.wagap.org](http://www.wagap.org) or via check to WAGAP, PO Box 805, Bingen, WA 98605.

Our next Food Drive is May 28 and our June date is yet to be scheduled. We will be posting information throughout our communities once that date is set. We continue to collect non-perishables in the Food Donation Bin just outside the main entrance of the Lyle School upper parking lot. Drop-offs should be during school hours.

We would like our food boxes to focus a bit more on our children at home, so kid-snacks such as Fruit Rollups, chips, Goldfish crackers, cookies, sweets, and even simple baking projects (cookie/cake mixes) would be a wonderful addition. Pasta, sauce, mac and cheese mixes, cereals, peanut butter, jelly, tuna ... these are among the staples that we try to include in every box as well. We will happily accept pet food, and we are also looking for donated seeds to distribute to community members who'd like to create a little food security in their own back yards.

Monetary donations are also gratefully accepted. Make checks out to Lyle Lions Club and bring to school or mail to PO Box 383 Lyle 98635 (note on check "Emergency Funds 2020".)

If you are interested in volunteering or know someone in need of a food box, send a personal message to the Lyle Community Council Facebook page, or you can [respond to this email](#). Or contact Julie [here](#)

Did you lose your job because of the pandemic? Do you need help paying rent or bills? Please contact us to see if we can help. Maybe you've never had to ask for help before and knowing where to start can be difficult. It's okay. We've all needed help at one time or another. Thanks to this generous community, we currently have limited funds available to help our neighbors stay in their homes and stay on their feet. Please call 509-493-2662 or 800-755-1192.

## Book Review

By Judy Bane

### "Marry Me By Sundown"

by Johanna Lindsey

An enticing new historical romance from No. 1 New York Times bestselling author Johanna Lindsey. Marry Me By Sundown takes you on a captivating adventure in 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father's fortune.

Summoned back to Philadelphia from the social whirl in London, Violet Mitchell never expected to find her brothers living on the edge of financial ruin while their father seeks new wealth in Montana's gold fields. With the family's home and social standing at risk, Violet makes a drastic decision.

Morgan Callahan rode away from his family's cattle ranch to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm.

Morgan underestimated the new thorn in his side. Determined to claim what rightfully belongs to her family, Violet summons up the courage, grit, and spunk to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of calamity and danger that upends her plans and deepens her bond to a man who is not the brilliant match a lady wishes to make but could be all that a strong, passionate woman desires.

Utterly captivating. Wonderfully entertaining. Let legendary author Johanna Lindsey capture your heart with her unforgettable romance.

Sadly, Johanna Lindsey passed away a short time ago, but her legendary career as one of the top romance authors will live on in her long list of titles.

## Klickitat County awarded CARES funds

Klickitat County has been awarded Federal funds made available through the Department of Homeland Security (DHS) Federal Emergency Food and Shelter National Board Program.

Klickitat County has been chosen to receive \$12,329 and an additional CARES allocation of \$17,578 to supplement food and shelter programs in the county.

The selection was made by a national board that is chaired by the U.S. Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from the Salvation Army, American Red Cross, the Jewish Federations of North America, Catholic Charities USA, National Council of Churches of Christ in the USA and United Way Worldwide. Local boards are charged with distributing funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

A local board made up of representatives from Klickitat County, local churches, United Way, the American Red Cross and the homeless will determine how the funds awarded to Klickitat County are to be distributed among the food and shelter programs run

by local service agencies in the area. The local board is responsible for recommending these funds and any additional funds available under this phase of the program.

Under the terms of the grant with the national board, local agencies chosen to receive funds must: 1) be private voluntary non-profits with 501 (c) status or units of government; 2) be eligible to receive federal funds; 3) have an accounting system; 4) practice nondiscrimination; 5) have demonstrated the capacity to deliver emergency food and /or shelter programs; and 6) if they are a private voluntary organization, they must have a voluntary board of directors. Qualifying agencies are urged to apply.

Klickitat County has received Emergency Food and Shelter funds previously. Those funds have been allocated to local food banks and shelter programs.

**Alice  
Faye  
Mattox**

Beloved Wife, Mother, Grandmother and Great Grandmother Alice Faye Mattox (Schultz) passed away at home in Dallesport, Washington on May 21st, 2020 at the age of 79. Alice was born to Dollie Gertrude (Snodgrass) and Charles Ebel Schultz in Brounland, West Virginia on June 3, 1940.

Alice married John Edward Mattox, Jr. in Ruth, West Virginia on May 13, 1956. She worked for most of her career for Diamond Fruit Growers in Pine Grove and Odell, Oregon. Alice was a member of Lyle Grange #87 and spent many years after retirement volunteering for Klickitat County Senior Services. In 2011 Alice and John were voted Klickitat County Volunteers of the Year.

She was a people person, striking up a conversation and making friends as a young newlywed in the strange land of Washington State, in her career at Diamond Fruit and in her retirement while volunteering, attending senior lunches and at the annual Dallesport Crafts Bazaar. She was a giving lady who put family and friends first and always found the best in others. Alice loved making quilts, crocheting, sewing, knitting and just about every craft imaginable. In 2003 she started a crafts bazaar in Dallesport where she rented tables, sold her crafts and provided refreshments just so she could donate the proceeds to the Dallesport Community Council Children's Christmas Party and to the Dallesport Volunteer Fire Department.

After moving to Washington, Alice lived in Snowden, Lyle and Dallesport. She traveled every year she was able to

West Virginia to visit her parents and siblings, by plane, train and auto.

Alice loved spending time with her grandchildren and great grandchildren, whom she worshipped. She is survived by her son Wayne Edward (Susan) Mattox of Dallesport; four grandchildren, Dallas (Amanda) Mattox and Gage Mattox of Dallesport, John Pemberton in Indiana and David Pemberton in Arizona; and eight great grandchildren. Alice was preceded in death by husband John Edward Mattox, Jr., daughter Heather Jean Pemberton (Mattox), sisters Sudie Justice, Vonda Price, Mary Jenkins, Reba Renaud and Betty Walker and brothers Charles Schultz and Daniel Schultz.

A graveside service will be held at the Cemetery in Appleton, Washington on June 1st. Gardner Funeral Home is handling arrangements. In lieu of flowers, donations may be made to Heart of Hospice in memory of Alice Mattox.

## Fire Season

Washington and Oregon are expected to have the worst wildfire season in the nation, according to the Department of Natural Resources.

So far this year, Washington state has seen nearly 300 fires. In a typical season, around 100 burn.

"The reason why we're seeing an increase in fires, people are staying home, staying safe, and they have more time on their hands and doing yard work and they're burning those debris piles and they're getting out of control," said Hilary Franz, Commissioner of Public Lands with the Washington State Department of Natural Resources.

As we enter the summer months, another factor that could increase wildfire risk is warmer and drier than average conditions for June and July. Also, the early loss of snowpack, especially on the eastern slope of the Cascades is bringing moderate to severe drought conditions in that region.

Another challenge this wildfire season, is keeping firefighters safe during the ongoing Covid-19 pandemic. DNR says it will turn to more air resources and use their latest tool, pumpkin tanks. They're portable water storage tanks that can be deployed to hard reach areas that lack natural water sources, and can be refill sites for helicopters.

DNR is urging the community to take steps to prevent wildfires such as maintaining defensible space between your home and wildlife, and stop lighting fires.

## Fire Outlook

Almost 100% of Oregon and the eastern half of Washington face above normal potential for large wildfires this summer, according to the latest forecast released today by the National Interagency Fire Center. Continued drought conditions, including limited rainfall and subsequent diminished snowpacks, are just two factors leading to the determination, according to the national report.

“Spring and Summer climate outlooks portray warmer and drier conditions than typical for the region through August,” said Carol Connolly, spokeswoman for the Northwest Interagency Coordination Center.

“We are anticipating higher-than-usual large fire risk in sections of Oregon and eastern Washington.”

The enhanced probability for big fires, indicated by red on the NIFC monthly maps, begins next month across southwest Oregon. After that it spreads to all parts of Oregon by August, except the most northwest quadrant of the state.

Western Washington maintains normal wildfire risk through August, according to the report.

With melt-off already underway, snowpacks in Washington remain above average, while Oregon’s are below average, except for Mount Hood and northeast Oregon, according to the data.

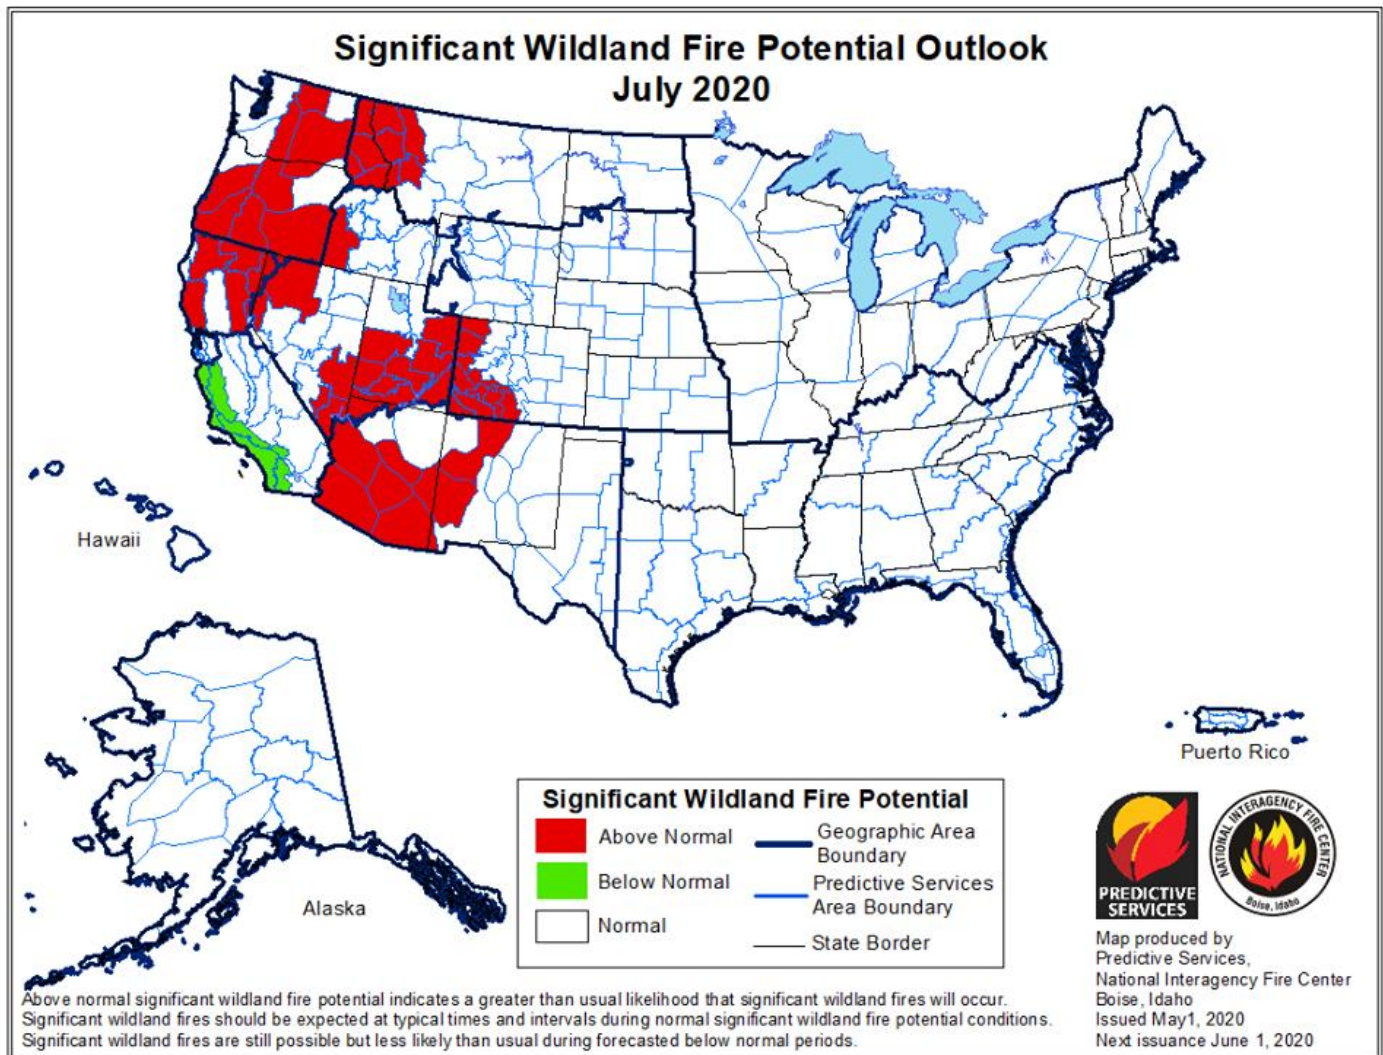

Another reason why a drier-than-average April was bad for the region: It expedited the drying of dead plants on the ground, making them more susceptible to fire starting. This indicator is called “dead fuel moisture” in the NIFC report.

Meteorologists and fire experts from numerous federal agencies contribute to these monthly forecasts.

# LYLE SCHOOL DISTRICT #406

## Graduation Cruise - June 6, 2020

Lyle Schools will host a Graduation Cruise for our graduating seniors on Saturday, June 6, starting in Dallesport at 2 p.m. Grads will be driven through Dallesport and Lyle. Community members are encouraged to park along the cruise route and honk and or applaud for our 20 graduates.

We encourage everyone to stay in their vehicles and otherwise practice social distancing while celebrating the Class of 2020. Students will wind up at the school where staff will honor them. They will receive their diplomas and some other special surprises as they complete their circuit around the school. Complete details will be posted to the website, [www.lyleschools.org](http://www.lyleschools.org), by 5/29.

## **June 17 is the Last Day of the Historic 2019-2020 School Year**

We've all learned to be more flexible during this extended school closure. Distance learning recommendations and requirements were something of a moving target as state leaders dug into challenges raised by this unprecedented experience.

The Office of the State Superintendent of Public Instruction first directed all schools to plan on being in session until June 19<sup>th</sup> but changed that directive in May, instead mandated schools to add 5 school days to the end of the originally-scheduled last day of school.

Lyle's original end date was June 9<sup>th</sup>, but we had to add a snow make-up day, too. Then adding an additional five school days brought our end date June 17.

## **Virtual Kindergarten Roundup**

Pre-Kindergarten and Kindergarten registration is under way. Children must turn 3 by September 1 to be eligible for pre-kindergarten and spaces are limited. Kids must be 5 by September 1 to enter Kindergarten. More information is at [www.lyleschools.org](http://www.lyleschools.org).

For the youngest children starting school every fall, Lyle School District has long held Pre-Kindergarten and Kindergarten Round-Up, a registration event for these youngest of students and their families.

They are traditionally invited to the school to meet the teachers and other staff, participate in some typical pre-K/Kindergarten activities and get familiar with the classroom. Parents also get the not-so-fun part, filling out the forms.

This year, like schools around the state, Lyle School has needed to get a little creative in enrolling our newest students.

Starting Wednesday, May 20, a video about Lyle School's programs for 3, 4, and 5-year-old children will be available on the district's website, [Lyle Schools](http://www.lyleschools.org) and shared to its Facebook page, [@Lyleschools](https://www.facebook.com/Lyleschools).

The video will have greetings from teachers and staff, a visual tour of the classrooms, and links to more information. That info will also be shared in the post for those who can't view the video.

## Gorge Grown Mobile Market Returns

The Mobile Farmers Market returns every Friday, 4-6pm at the Lyle Activity Center, starting this week (May 8)! We're bringing you SAFE, fresh, local food that supports our Gorge farming economy.

HOWEVER! The market will look \*very\* different this year with COVID-19 safety precautions in place: -Please plan on wearing a mask to keep our staff and others safe.

-Keep a 6 ft distance from everyone at all times.

-Do not come if you are feeling unwell or might have been exposed to COVID-19.

-Send one family member to shop, and offer to shop for your neighbors to minimize market traffic. Until things are back to normal, THIS NOT A LEISURELY SOCIAL EVENT!

To protect you: we will have one staff person to handle food and shop for you, and another to handle all transactions. Farmers markets are designated as essential services, and are much safer than the grocery store.

Remember, if you use your EBT/SNAP card (aka food stamps) at the market we will give you an extra, free \$5 to spend! We also take Credit/Debit cards and cash.

For May, expect items like salad mix, arugula, rhubarb, leafy greens, asparagus, spicy microgreens, radishes, green garlic, leeks, mushrooms, apples, pears, honey, and more, plus everyone's favorite Pine Street Bakery french baguettes! L77 Ranch will not be at market this year, but you can learn more about ordering beef directly from them for delivery or pick up here: <https://l77ranch.com/the-little-seven-seven-highland-beef-products/>  
For more information, go to [www.gorgegrown.com/mobilemarket/](http://www.gorgegrown.com/mobilemarket/)

## Wasco County Fair and Rodeo canceled

The Wasco County Fair Board has canceled the 2020 Wasco County Fair originally scheduled for August 20-23 due to state restrictions regarding the size of mass gatherings, according to Fair Manager Kay Tenold.

## The Dalles Farmers

**Market** is set to open for our regular season: Saturdays, 9am-1pm, at City Park (5th & Union) starting **June 6th**.

HOWEVER! market will look \*VERY\* different this year with lots of COVID-19 safety precautions in place. Before you come, you must read and abide by our safety measures, stated here:

<http://www.thedallesfarmersmarket.com/safety/>

The safety of our shoppers, staff, farmers, and wider community is our utmost top priority. Farmers markets are essential services, just like grocery stores- Let's all do our part to keep each other safe while supporting our local economy, and nourishing our bodies with healthy, nutritious foods.

Like [The Dalles Farmers' Market](#) to stay up to date on all the happenings. Stay safe, everyone!

## 41st Annual Northwest Cherry Festival Postponed 🙏

After careful consideration and a heavy heart, The Dalles Area Chamber of Commerce has decided to postpone the 41st Annual Northwest Cherry Festival til 2021.

With the uncertainty of the guidelines for public gatherings in July, and not wanting to put anyone in the community at risk, the Board of Directors and The Dalles Area Chamber of Commerce team have decided to postpone the 41st Annual Northwest Cherry Festival to 2021.

This has been an exceedingly difficult decision as our community looks forward to this event. Each year we celebrate the cherry harvest, our community, and bringing together friends and families to enjoy a fabulous weekend and we will again soon!

We are looking forward to the 41st Annual Northwest Cherry Festival in 2021 and hope to make it bigger and better then ever!

Stay safe and we will see you next year.

## Columbia Gorge Vendors Market

For those of you that depend on yearly events for your home businesses, like Cherry Fest, St Mary's Christmas Bazaar, Huckleberry Fest and the like...not to mention those of you that do your Holiday shopping to help support local artists.

Check out the Facebook page for buying and selling your crafts. This puts all vendors in one convenient, virtual shopping bazaar.

## Klickitat County Reported Case Count

As of May 22, 2020

City / Town	Positive Cases	Recovered	Deaths
Goldendale	20	18	2
Centerville	1	1	0
White Salmon	2	1	1
Trout Lake	1	1	0
<b>Total</b>	<b>24</b>	<b>21</b>	<b>3</b>

**UPDATE:** On May 21st the Board of Health made the unanimous decision to move from "zones" to cities/towns regarding the location of positive cases. Negative cases and total tests are now being reported by providers, Local Health Jurisdictions, and labs to the Washington State Disease Reporting system, because of this the negative case count has been removed from our table. For more accurate and up-to-date information on the total tests, please refer to the [WA State DOH Dashboard](#).
