

**Our Mission:**

To strengthen communities through services that enhance the emotional and behavioral well-being of children, adults, and families.

**Registered Nurse**

Southeastern Directions for Life has an immediate opening for a full-time Registered Nurse. Hours for this position are Monday-Friday with after hour's on-call availability by phone as needed.

**Job Summary:** This member of the multidisciplinary team is responsible for assisting the Lead Nurse with the nursing and medical services; conducting psycho-social assessments; assessing physical health needs; making appropriate referrals to community physicians; providing management and administration of medication in conjunction with the psychiatrist; providing a range of treatment, rehabilitation, and support services; and case management. Participate as an active and positive member of the Team and provide education and support to other staff as needed and within limits of expertise. Flexibility required in emergencies and inclement weather.

**Qualifications:** A Registered Nurse (RN), prefer at least 1 year of experience working with severe mentally ill (SMI) adults and other mental health professionals. Must have a strong commitment to the right and ability of each person with a severe mental illness to live in normal community residences; work in market jobs; and have access to helpful, adequate, competent, and continuous supports and services. Skills and competence to establish supportive trusting relationships with persons with severe mental illness and respect for client's rights and personal preferences in treatment are essential. Must have a valid driver's license and good driving record acceptable to Southeastern's Insurance provider. Completion of a State Board approved RN program required. Currently licensed as a Registered Nurse with South Dakota State Nursing board and/or possess multi-state licensure privileges. Must renew licensure as required by the Board of Nursing. Functions within the legal scope of Nursing practice.
