

MISSION SOLAR ENERGY

25/25 PANEL WARRANTY

This certificate confirms the warranty of Mission Solar Energy solar panels for 25 years for both power and manufacturing defects. This warranty covers the repair or replacement of the broken unit at our discretion.

This certificate does not provide coverage for lost or damaged panels due to shipping. This certificate is void if altered in any way.

Thank you for your purchase. All warranty documents can be viewed on our website: <https://www.missionsolar.com/warranty>
