

LEVERAGE Leader Program

Leadership Training for the Mid-level Manager / Supervisor

How do your leaders thrive in ambiguous, complex, rapidly-changing environments?

LEVERAGE Leader is a researched-based leadership development training program focused on four domains: **Self, Team, Leaders, Customers**. Mastery in these four domains are key levers to achieve consistent growth, more profit, and proven breakthrough results.

Who Benefits from the LEVERAGE Leader Program?

- Frontline supervisors (experienced or new to the supervisor role)
- Middle and senior managers seeking to optimize impact and performance
- Newly promoted managers/leaders with little or no formal leadership training

LEVERAGE Leader Program Results

- ✓ Develop leadership competencies and effectiveness
- ✓ Build results-focused teams
- ✓ Inspire breakthrough results
- ✓ Increase productivity
- ✓ Meet and exceed company goal
- ✓ Build trusting relationships
