

14 October 2021

Dear **WUWHS 2020 participant**,

This letter is to welcome you to the WUWHS 2022 congress at the Abu Dhabi Convention Centre (ADNEC), from 1-5 March 2022. We are happy to inform you that both your confirmed **abstract and paid registration for the WUWHS 2020** congress in Abu Dhabi, has remained valid for the 2022 congress.

In order to activate your participation for WUWHS 2022, please be so kind to send your abstract confirmation as well as the registration confirmation you have received in 2019 or 2020 to [registration@wuwhs2022.org](mailto:registration@wuwhs2022.org)

Please note that the presentation format that was previously allocated to you, will remain for the 2022 congress (oral or poster). If you are not presenting any paper but have a paid confirmed registration receipt from 2020, this letter applies to you as well.

**A NEW confirmation number will be sent directly to you.** Please save that confirmation number and present it at the clearly marked WUWHS 2020 registration desk at the onsite registration point in ADNEC to receive your bag, badge and program at the start of the congress.

Travel to Abu Dhabi is opening up rapidly with minimal quarantine restrictions remaining for a few countries only. We are confident that those will be lifted very soon. All WHO approved vaccinations for COVID-19 are recognized in the UAE, for fully vaccinated persons to easily obtain a visa or enter the UAE. Once in the UAE, there is no restriction on travel in and around the country once all airport requirements for either Dubai or Abu Dhabi, are met.

We are looking forward to your ongoing participation and to be able to meet again at this congress for the first time in two years! Please visit the website [www.wuwhs2022.org](http://www.wuwhs2022.org) if you need more congress information.

Best wishes
