

Tea Menu

Black Teas

Helps to lower cholesterol and prevent tooth decay. Gentle stimulant, good for the heart. The flavors can range from flowery to fruity, nutty to spicy.

Assam Satrupa:

Perfect morning tea – accepts milk and sugar

Ceylon Kenilworth:

Excellent full-body with a hint of sweetness

Darjeerling Autumnal:

Great body and very aromatic, great with food

Blended Black Teas

Strength and cup color of an Assam, the persistence of Ceylon and the flowery notes of Darjeerling. Shares the health properties of Black Tea.

English Breakfast:

A rich and flavorful blend off Ceylon and Assam

Irish Breakfast:

A blend of Assam, China & Nilgiri black teas

Lapsang Souchong:

China and Keemun teas gives this blend a smoky characteristic with a fruity undertone

Earl Grey Classic:

Bergamot taste with Jasmine Blossoms

Earl Grey Le Crème:

Classic Earl Grey with hints of vanilla and cream
