

Adopt-A-Room

The Drexel H. Foundation has been restoring rooms in the Vale Hotel (originally Drexel Hotel) since the 90's. There are many ways you can help and one way is by Adopting a room.

With a tax deductible donation endowment or gift of \$10,000 or more a room is named after your family, and immortalized with the installation of an engraved plaque for the room you choose. A brass door knocker is installed on the room entrance with your family name engraved upon it to honor your gift. Your family photos can be copied and displayed if you desire. You can help with creating the interior design for the room, if you desire. If you are interested in adopting a room, Please call Sandijeon Fuson at (541)473-3470.
