Gino graduated with a Theater Arts degree from Southern Oregon University at Ashland, did film course work at City College of San Francisco, did an internship with Josh & Jake's Kornbuth's independent comedy film "Haiku Tunnel" and a film career was born. He began working his way thru the ranks of a film career with several assistance director positions and in 2005 became a member of The Directors Guild of America. He has written & produced several short films including Vale on the Oregon Trail, the winner of Best of Show for the 2007 Drexel Children's Film Festival competition. He is a Vale High School Graduate.

### *Our Featured 2007 and 2008*

#### *Film Maker and Presenter Ms. Kavanaugh*

**Katy Kavanaugh**-has served as a judge and curator in the international film community with a specific focus on films for children & youth. Her company Catapult Productions, is aimed at increasing the exchange of international stories about children through cinema. Providing programs of international films through Screen 360 is one of the projects working toward that goal as is the production of films for the genre, for example Kavanaugh's film , FLIEGEN. "Meeting peers from around the world in childhood through cinema's stories provides exposure that will offer children a layer of information that will continue to inform and increase understanding of the world," said Kavanaugh. She is a Vale High School Graduate.

### *Our Featured 2006 film maker and Screenwriter Katy Kavanaugh*

**Katy Kavanaugh**-has served as a judge and curator in the international film community with a specific focus on films for children & youth. Her company Catapult Productions, is aimed at increasing the exchange of international stories about children through cinema. Providing programs of international films through Screen 360 is one of the projects working toward that goal as is the production of films for the genre, for example Kavanaugh's film , FLIEGEN. "Meeting peers from around the world in childhood through cinema's stories provides exposure that will offer children a layer of information that will continue to inform and increase understanding of the world," said Kavanaugh.

**Jennifer Schwartz**- is a published playwright and screenwriter, and director of San Francisco Stage & Film, a non-profit corporation that produces a film festival that screens films by and about under-represented communities.
