

# ***BALL BINGO***

## **-DESCRIPTION:**

Player Throws 5 soft balls into a bin which has 25 holes in it and tries to line 5 ball across, up and down, or diagonal to win

## **-HOW TO SET UP GAME**

- 1) If using two games per booth, set them about 6 feet from the front of the booth and 3 feet from the side of the booth. If using one unit just set it 6 feet back and center it.  
(to make the game harder move the game farther back, to make it easier move it closer to the front).

## **-HOW TO PLAY**

- 1) Player gets five balls and wins a first prize by throwing five in any line (across, up and down, or any diagonal).
- 2) Player can win a second place prize by throwing five balls and getting any four in a line.
- 3) Player can re throw all balls that bounce out of the game unit.
