

TIDAL WAVE

-HOW TO SET UP GAME

- 1) open up the front and rear legs (make sure they are in the locked position)
- 2) Use adjustable rear leg and level the game (you can raise the back of the game to increase the difficult level..

-HOW TO PLAY

- 1) The Player gets three rolls
- 2) Begin with ball resting against ball-stop.
- 3) The player attempts to roll ball over wave and wins when the ball stays in the win zone.
- 4) If the attempt is unsuccessful the ball will roll back over the wave and into ball stop. This is the end of play. Play is also over when or if ball fails to roll over wave at all.
