

# *Boom Blaster*

## **-DESCRIPTION:**

This game is designed for two players.

Each player has his or her own Boom Blaster unit.

At the “go command” each player pumps a hand pump and tries to inflate a balloon and pop it before Their competitor does.

## **-HOW TO SET UP GAME**

This Game requires the booth to have no front.

Place each unit approximately 5 feet apart and place the pump pedestals towards the front of booth.

Connect the pump hose clamp to the balloon pedestal.

Stretch an uninflated balloon over the balloon pedestal nozzle on each players unit..

## **-HOW TO PLAY**

1) Make sure a new balloon is on each game unit after each play (even if it did not pop)

2) The game operator announces “one.. two.. there..Go!”

3) .At the “go” command both players pump as fast they can trying to pop their balloon before their opponent pops his or hers.
